Dear Dr. San Antonio:

Greetings from Knowledge Channel Foundation Inc. (KCFI)!

KCFI is a non-stock, non-profit organization that aims to help improve the quality of basic education in the country. It believes that through quality basic education, it may help uplift the lives of Filipinos.

KCFI develops and distributes Department of Education-curriculum-based videos and other multimedia learning resources on-air, through the Knowledge Channel, online through [www.knowledgechannel.org](http://www.knowledgechannel.org), and offline through the Knowledge Channel Portable Media Library (PML).

KCFI also conducts three-day training for teachers and principals through its program called **Learning Effectively through Enhanced and Evidence-based Pedagogies (LEEP)** which hone teaching approaches. With a built-in coaching and mentoring program, LEEP helps improve the quality of teaching and learning in a learner-centered classroom environment. The training comes with the Knowledge Channel PML, an external hard drive loaded with hundreds of educational videos, games and session guides.

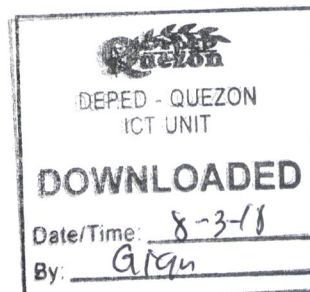

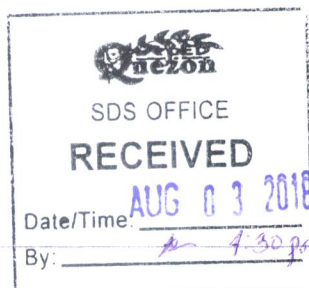

In this regard, we would like to partner with you to train the teachers and principals of all public schools in your region with our LEEP Program. Attached is our proposal for your consideration. Should you have queries, please do not hesitate to call me at (02) 910-3181 local 104 or 0919-9918287.

Thank you and we look forward to your positive response.

Sincerely Yours,

*Liberty S. Reyes*

MASAYANG MAGTURO!

LEARNING EFFECTIVELY THROUGH ENHANCED  
AND EVIDENCE-BASED PEDAGOGIES

TEACHER TRAINING AND  
COACHING PROGRAM

## RATIONALE OF THE PROGRAM

The past 6 years has seen a dramatic shift in Philippine education with the implementation of the K-to-12 system; the goal of which is to develop holistic learners who have mastered content and are equipped with 21<sup>st</sup> century skills of critical thinking, communication, collaboration, and creativity. For learners to be proficient at these, it is imperative to equip their teachers with the necessary knowledge and skills on teaching strategies and technologies that are aligned with the framework of the Department of Education's K-to-12 curriculum.

## PROGRAM OBJECTIVES

The objective is to train participants to **shift mindsets** and **transform classrooms** into 21<sup>st</sup> century learning environments that are highly learner-centered. The training aims to help teachers develop 21<sup>st</sup> century skills of learners which are essential to their citizenship, work life, and continuous life-long learning. With the training, the teachers and principal will learn the following:

- a) **effective application of teaching strategies toward a learner-centered environment,**
- b) **effective integration and use of multimedia learning resources (Knowledge Channel's videos, games, session guides, etc.) in classroom instruction adherent to teaching content and pedagogies of the K-to-12 curriculum;**

## COMPONENTS AND ACTIVITIES

The three (3)-day Learning Effectively through Enhanced Pedagogies (LEEP) Training Program for Teachers and Principals includes the ff:

- a. **Interactive activities delivered hand-in-hand with lectures**
- b. **Demonstration on the use of multimedia learning resources in the classroom**
- c. **2-hour module for Principals on Instructional Leadership**
- d. **1-2 hour Return Demonstration Teaching sessions with students**
- e. **1-2 hour module on Stakeholder Engagement**

### OTHER INCLUSIONS

Training Kit and other materials for each participant

After-training coaching and mentoring program

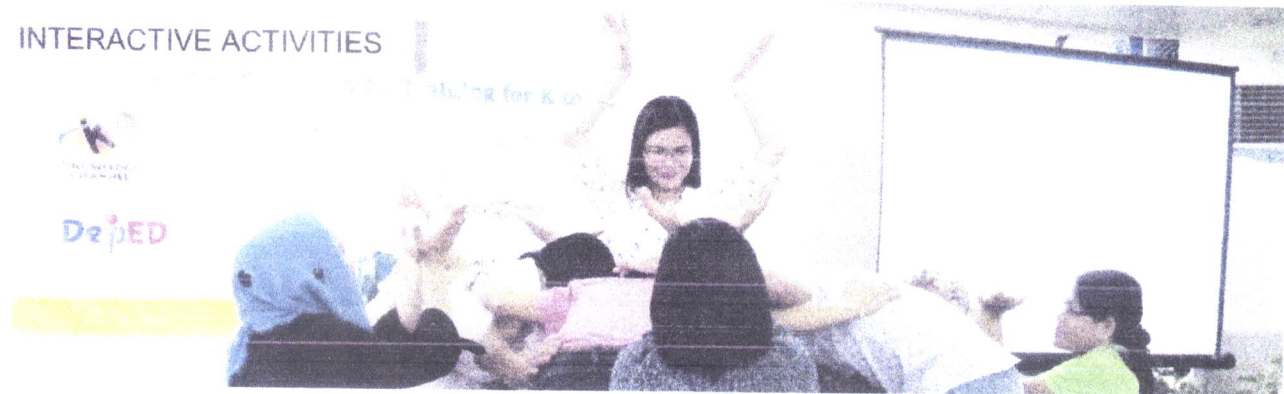

External hard drive with more than 1,100 DepEd curriculum-based multimedia learning resources for each participant school

Certificate of Participation (for a national level training) for all participants and Certificate of Competence for demonstration

### INTERACTIVE ACTIVITIES

### EXTERNAL HARD DRIVES

### DEMO TEACHING

## PROGRAM BENEFITS

The program will be implemented by Knowledge Channel Foundation Inc. (KCFI) in partnership with the Department of Education.

The short-term benefit of this partnership will provide opportunities for the teachers to be reflective and purposive in their instructional designs; hone required skills and consequently impact students' learning as evidenced by various achievement tests of the learners and other authentic assessment indices. In the long-run, the effect will be seen in the acquisition of life skills necessary to benefit the learners' quality of life.

By providing quality education through this training and the accompanying media packages, the partnership provides the nation with young people with potential to serve themselves, their communities, and the world at large.

**"Teachers have now become facilitators of learning from being dominating figures in the classroom."**

- based on a 2015 LEEP Guimaras study  
by Dr. Victor G. de Gracia (OIC-ARD, DepED Region VI)

"Sa lahat po ng mga teachers na hindi pa naka-attend ng LEEP, ang message ko lang po is talagang very participative ang seminar na ito at kailangan po nilang mag-attend.

Sana magkaroon ng positive impact ang mga trainings na tulad nito. Hindi masasayang ang oras ninyo. Investment para sa kanila to."
