School Division Superintendent
Department of Education
Quezon Province

Thru: **JOAN ALEJAIDA R. MAUHAY**
Education Program Supervisor in charge of Private Schools Quezon

Dear Dr. Talavera:

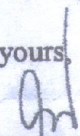

PhilHealth has been in coordination with the Department of Education since 2014 for the integration of PhilHealth in the MAPEH curriculum. And on March 2, 2015, the Bureau of Secondary Education has issued a certification that the PhilHealth Learners Material (PLM) has complied with the requirements of the K to 12 Curriculum.

In Region IVA, we have started the integration of the PhilHealth Learners Material for public schools in 2017. To carry on with the implementation of the program, we are engaging the private schools this year.

As regards this, we are scheduling an orientation for MAPEH teachers of private schools under the Division Office of Quezon. Thus, we are seeking your assistance to coordinate the activity with the MAPEH teachers under your Division Office. We are looking at one teacher per school as participant for the orientation which will provide them with the basic knowledge on PhilHealth programs and benefits including the Universal Health Care (UHC) law. The orientation is scheduled on November 29, 2019 from 9AM to 2PM in a venue within Lucena City.

We look forward to your positive action on this matter. Please send confirmation of attendance to our Public Affairs Unit through telephone number (042) 373-6936 or email them at region4a@philhealth.gov.ph or info.pro4a@philhealth.gov.ph.

Very truly yours,

EDWIN M. ORINA, MD
