## DIVISION ADVISORY NO. 010, s. 2020 January 17, 2020

In reference to the letter of Dr. Marivic S. Lacsamana, Director of the Institute of Chemistry UPLB this advisory is issued for the information of All Public Schools District Supervisor, Public and Private Elementary and Secondary School Heads and all other concerned.

### 10<sup>th</sup> National Children’s On-the-Spot Chemistry Poster-Making Competition

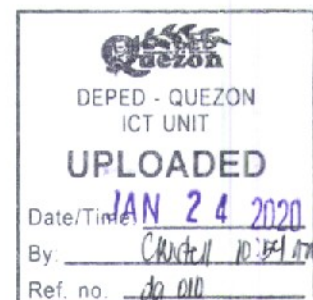

The Philippine Federation of Chemistry Societies (PFCS) will hold the 10<sup>th</sup> National Children’s On-the-Spot Chemistry Poster – Making Competition with the theme: “Biodiversity and Chemodiversity on Sustainability” on February 22, 2020 at the Physical Sciences Building University of the Philippines at Los Baños.

The PFCS invites elementary and high school students together with their teachers to participate in the abovementioned activity. The registration for the contest is free and the materials to be used will be provided by the organizers. Please contact Asst. Prof. Korina Vida G. Sinad at [icuplbbposter@gmail.com](mailto:icuplbbposter@gmail.com) or Tel No. 049-536-2241.

For more information please see attached letter.

Dear Dr. Talavera,

Good afternoon! I am Korina Vida G. Sinad from the Institute of Chemistry and we would like to invite the elementary schools under your jurisdiction for this event. Please find the attached letter from our director and the brochure for the contest.

Thank you very much and have a great day.

Respectfully yours,

Korina Vida G. Sinad  
UPLB IC Extension Coordinator

Dear Dr. Talavera,

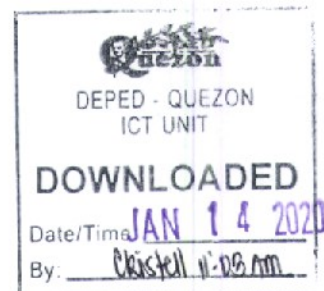

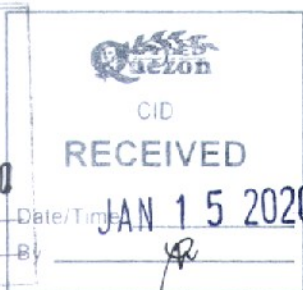

Good morning!

I would like to follow up on our request to invite elementary and high school students (Grades 4-7) together with their teachers under your jurisdiction to participate in the 10th National Children's On-the-Spot Chemistry Poster-Making Competition to be held in the University of the Philippines Los Baños on February 22, 2020. The registration for this contest is free and we will be serving light snacks in the morning for the participants.

We look forward to hearing from you soon. Thank you very much.

Sincerely,

Korina Vida G. Sinad  
UPLB IC Extension Coordinator

Schools Division Superintendent  
Department of Education  
Quezon Province

Dear Dr. Talavera,

The Philippine Federation of Chemistry Societies (PFCS) will hold the **10<sup>th</sup> National Children's On-the-Spot Chemistry Poster-Making Competition** on the 22<sup>nd</sup> of February 2020 (Saturday) with the theme "*Biodiversity and Chemodiversity for Sustainability.*" This activity aims to give young people an early exposure to science and elicit their understanding of the role of chemistry in everyday life. It is a joint undertaking of the PFCS and several institutions nationwide.

In this connection, we would like to invite the elementary and high school students together with their teachers in your district to participate in the above mentioned event from 8:00 a.m. to 12:00 noon at the Physical Sciences Lecture Hall A, Physical Sciences Building, University of the Philippines Los Baños, College, Laguna. The awarding ceremony will be held on the same day at 1:00 to 3:00 p.m.

The registration for the contest is **FREE**. The materials to be used will be provided by the organizers. For the mechanics, registration form and other details, please refer to the attached flyer. We will serve light snacks in the morning for the participant(s) and teacher/coach.

Should you need additional information please feel free to contact Asst. Prof. Korina Vida G. Sinad (icuplbposter@gmail.com; Tel No: 049-536-2241).

We look forward to your positive response to this invitation. Thank you very much.

Respectfully yours,

**MARIVIC S. LACSAMANA, Ph.D.**

## BACKGROUND

As we celebrate the Chemistry Week on 16-22 February 2020 and in celebration of the 20<sup>th</sup> Anniversary of OPCW, the Philippine Federation of Chemistry Societies in cooperation with twelve Philippine Universities is holding the **10<sup>th</sup> National Children's On-the-Spot Chemistry Poster Making Competition** on the theme "**Biodiversity and Chemodiversity for Sustainability**". This contest will highlight children's view of the role of chemistry in our life. The activity will be conducted nationwide. This activity aims to contribute to a greater public interest in and appreciation of chemistry, particularly among the youth.

The competition will be held on **22 February 2020** at 8:00 am to 12:00 nm at different venues nationwide.

## CONTEST RULES

- Eligibility.** This contest is open to all interested Grades IV to VII pupils from both public and private schools nationwide.
- Pre-registration.** Each contestant must pre-register by sending to the Secretariat the attached registration form on or before **7 February 2020** through fax (Telefax: 049-535-2241) or email (icupibposter@gmail.com). The registration form should be endorsed by the school's Principal. Two contestants per school will be accommodated.
- Acceptance.** Only fifty (50) contestants will be accepted to participate in the contest. Acceptance will be made on a first-come first-served basis. The accepted contestants will be informed on or before **10 February 2020**. Each contestant will be required to present valid school identification (ID) card on the day of the competition. In the event that there are still slots available after the deadline, the host may accommodate additional contestants from registered schools.
- Theme.** All posters should relate to the theme "**Biodiversity and Chemodiversity for Sustainability**". The contestants are encouraged to read on this topic prior to the contest.
- Format and Materials.** Only the Materials provided by the organizers should be used by the participants. The poster should be done on a 10" x 15" illustration board using craypas. Drawing and writing materials for the contest (including illustration board, bond paper, craypas, pencil, eraser, markers, cotton) shall be provided by the organizers at the contest venue. The artworks must remain anonymous. All entries will be pre-numbered. No signatures, names, or other identifying marks should appear at either side of the material of the entry.
- Time limit.** All artworks must be done only on the spot, and must be completed within the allotted time of two hours.
- Violations.** Entries that violate any of the contest rules may be disqualified outright. Any administrative or technical problems that may arise during the contest and judging process shall be resolved by the organizers/judges whose decision shall be final and unappealable.

- Ownership of Entries.** All entries in the competition will be properties of the Philippine Federation of Chemistry Societies.

## JUDGING

- Criteria for Judging.** Entries will be judged according to creativity (40%), originality (30%) and relevance to the theme (30%).
- Judges.**  
**Local:** The Board of Judges will be chosen by the organizers from the host school. The decision of the Board of Judges shall be final and unappealable.

**National:** The Board of Judges will be composed of noted artists and representatives from the Federation of Philippine Chemistry Societies. The decision of the Board of Judges shall be final and unappealable.

## AWARDS

- Prizes.**

**Local:** Three winning entries from each host school shall be chosen and shall be awarded PhP 2000.00 each. They will qualify as finalists for the national award.

**National:** Three winning entries will be chosen from the pool of finalists and shall be awarded the following prizes:

First Prize -	PhP 7,000.00
Second Prize -	PhP 5,000.00
Third Prize -	PhP 3,000.00

The first place winner and his/her teacher will also receive free accommodations and round trip airfare tickets to the awarding ceremony.

- Awarding**

The local winners will be announced and awarded the prizes on the day of the competition. The national winners will be announced by the third week of March and the prizes will be awarded during the Philippine Chemistry Congress that will be held this year. The winning posters will also be exhibited during the Congress.

# Poster-Making Competition

Children's On-the-Spot

Organized by the  
**Philippine Federation of Chemistry Societies**

In cooperation with the ff venue heads and  
universities:

- Dr. Agnes T. Aranas  
Ateneo de Davao University
- Dr. Gilbert U. Yu  
Ateneo de Manila University
- Dr. Redel L. Gullierrez

## CONTESTANT REGISTRATION FORM

**Contestant 1:**  
Full name: \_\_\_\_\_  
Age / Birthdate: \_\_\_\_\_  
Grade level: \_\_\_\_\_  
Telephone/Cell #: \_\_\_\_\_  
Email Address: \_\_\_\_\_

**Contestant 2:**  
Full name: \_\_\_\_\_  
Age / Birthdate: \_\_\_\_\_  
Grade level: \_\_\_\_\_  
Telephone/Cell #: \_\_\_\_\_  
Email Address: \_\_\_\_\_

**Name of Coach:**  
Email Address: \_\_\_\_\_  
Telephone Number: \_\_\_\_\_

**Name of school:**  
School address: \_\_\_\_\_  
School phone number: \_\_\_\_\_

## Endorsement

I am pleased to endorse the participation of the above-cited student in the 10<sup>th</sup> Children's On-the-Spot Chemistry Poster Making Competition.

Date: \_\_\_\_\_  
\_\_\_\_\_  
(Printed name and signature)  
School Principal

Please send this form on or before **10 February 2020** to:
