SUBJECT: Call for Lists of Learners with ICT-Related Achievements and Endeavors

Building on the success of The National DepEd ICT Summit held on 27-28 February 2018, as well as the Regional DepEd ICT Summits before it, the Department of Education (DepEd), through the Office of the Undersecretary for Administration and the Information and Communications Technology Service (ICTS), plans to hold the first DepEd Cyber Expo sometime around November 2018.

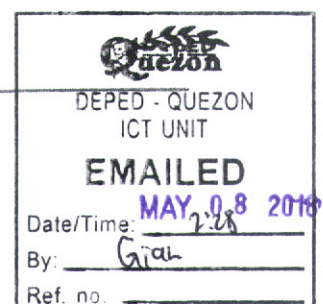

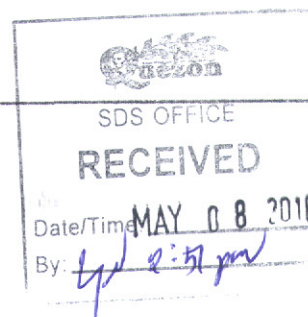

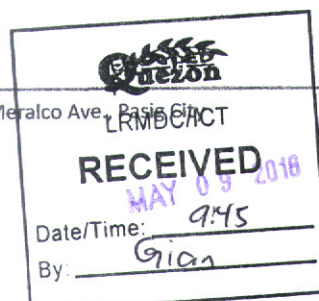

The Expo is a conference and exhibition event that aims to highlight the achievements of our learners in the field of ICT and education, and give recognition to ICT-related projects, researches, engagements, and the like done by these learners who come from schools offering basic education in the Philippines.

As part of our baselining and planning processes, we are looking from within your regions, divisions, schools (public and private, including SUCs/LUCs offering the K-12 curriculum), and ALS CLCs learners who excelled in their endeavors in the field of ICT and education.

In line with this, we request that schools and CLCs send to their Schools Division Offices (SDO) lists of their learners who received accolades in ICT (for example, winners of ICT-related competitions, students who did significant innovations and/or researches in ICT and education, learners who received citations from ICT award-giving bodies, etc.).

While this call is non-competitive by nature, we request that the achievements you send are significant enough to warrant any form of commendation and that these were awarded to or achieved by the learner/s from at least January 2017 to present.
