TERMS OF REFERENCE

Technical Assistance/ Consulting Services for WEB BASED PARTNERSHIP DATABASE SYSTEM FOR DEPED- DIVISION OF QUEZON

I. INTRODUCTION

Republic Act 8525, otherwise known as "An Act Establishing the Adopt-a-School Program and Providing Incentives Therefore and for Other Purposes", was enacted to encourage private companies to assist in the delivery of better quality education to public schools in the country, particularly in the poverty-stricken provinces.

DepEd being responsible in securing resources to make public schools competitive has been partnering with the private sector entities national government agencies and local government units for the development and improvement of the public education system.

II. OBJECTIVE

DepEd believes that one way of achieving an enhanced learning environment and addressing the shortage of resources in public schools is through the provisions of **AN ONLINE PARTNERSHIP DATABASE SYSTEM** to have the easy filing and recording of the list of partners of the Division.

III. SCOPE OF SERVICES

The Project Consultant shall render professional services such as, but not limited to the following:

1. Design, develop the **DIVISION WEB BASED PARTNERSHIP DATABASE SYSTEM** based application with full feature system security with the supervision of DepEd. System features are controlled with administrator Code and Password for security.
2. Warrant that the customized software to be installed shall be free from bugs or defects in logic;
3. Replace any defective parts of the system in the soonest possible time **FREE OF CHARGE**;
4. Extend the period of this agreement unless the bug or defect is not acted upon prior to the expiration of the agreement.
5. Render periodic report/assessment of the project as deemed necessary.
6. Conduct the training and orientation to DepEd on the project and provide system manual.
