MR. WILFREDO E. CABRAL

Regional Director

Department of Education – Region IV-A

Karangalan Village, Cainta, Rizal

Dear Dir. Cabral,

The **Philippine Science Heritage Center (PSHC)**, under the management of the National Academy of Science and Technology, Philippines (NAST PHL), is mandated by the Republic Act No. 9107 to serve as the main repository of the achievements and contributions of Filipino Scientists to the scientific community. Also known as Salinlahi (heirloom), PSHC is also responsible for promoting Philippine science and technology to the public, specifically the youth.

PSHC is currently closed due to COVID-19 pandemic until further notice. To cope up with the new normal brought by this, we developed the **PSHC Virtual Tour App** that features the physical exhibits found in the center, which includes the avatar of living National Scientists, their own pictures, voices, achievements, and messages to the youth. Currently, the said mobile application is only available on Google Play and can be downloaded for free. The iOS and website version will be coming this first quarter of 2021.

With this, may we ask for your help to **disseminate this information to the students and teachers under your supervision?** Attached in this letter is the QR Code and download link of the PSHC Virtual Tour App.

Your favorable response will be greatly appreciated.

Thank you very much and stay safe.

Sincerely yours,
