4th PHILIPPINE ENVIRONMENT SUMMIT 2023

The Green Convergence for Safe Food, Healthy Environment, and Sustainable Economy will hold its 4th Philippine Environment Summit 2023 with the theme Caring for Earth: Scaling Up Solutions to the Climate Emergency from February 21 to 23, 2023 at the Taal Vista Hotel, Tagaytay City.

The Summit aims to

1. disseminate information on the developments, achievements, challenges, programs and projects in the areas of food safety, environment and natural resources protection and sustainable economy;
2. encourage wider adoption of breakthroughs and innovations through greater convergence among the different sectors of society;
3. formulate recommendations on food safety, environment and natural resources protection, and conservation and sustainable economy; and
4. promote the movement, *Ako ang Bukas*, and its challenge to take the Quantum Leap towards Climate Neutrality in 2050.

The target participants are officials, teachers and senior high school students to inspire them to do their part for Mother Earth.

Participation of learners and teachers from public and private schools shall be purely voluntary and shall not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 34, s. 2022 titled School Calendar and Activities for the School Year 2022-2023 and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.
