**DIVISION ADVISORY NO. 002, s. 2021**  
January 25, 2021

In reference to the Advisory No. 002 s.2021 of the Department of Education this is issued for the information of all Science Teachers and other Science enthusiast.

**MIND S-COOL PROJECT OF THE BONIFACIO ART FOUNDATION INC.**

The Bonifacio Art Foundation Inc. (BAFI) offers the Mind S-Cool (MSC), a TV weekly series of 30-minute episodes aired on Colours, One PH and Cignal TV. It is also an educational web series of 10-20-minute video per season and also available on You Tube and Cignal Play App.

The project aims to empower the learner – viewers to discover their own minds in learning in connected ways across topics, essentially bridging their science and the arts for its viewers, and to connect science and art to other things happening in the real world and how learners could help make the world better, the new normal, knowing those connections.

**MIND S-COOL PROJECT OF THE BONIFACIO ART FOUNDATION INC.**

The Bonifacio Art Foundation Inc. (BAFI) offers Mind S-Cool (MSC), a project borne out of the COVID-19 Pandemic. It aims to empower the learner-viewers to discover their own minds in learning in connected ways across topics, essentially bridging the sciences and the arts for its viewers, and to connect science and art to other things happening in the real world and how learners could help make the world better, in the new normal, knowing those connections.

The MSC has two distinct but connected channels mentioned below.

1. Mind S-Cool TV is a weekly series of 30-minute episodes aired on Colours and One PH channel on Signal TV. The episodes follow the general curriculum, and connect in to the larger realities in the world.

Schedule:

COLOURS Channel - Saturdays at 9:00 a.m.

Under Signal TV - Channels 60 (SD) &amp; 202 (HD)

Under SatLite TV - Channels 40 (SD)

ONE PH channel - Sundays at 10:00 a.m.

Under Signal TV / SatLite TV - Channel 1 (SD)

Also available on Mind S-Cool YouTube page and Signal Play App.

2. MIND S-COOL Online is an educational web series of 10 15-20 minute videos per season. In each lesson, resident scientists delve into K to 12 science concepts based on the DepEd K to 12 Curriculum and also explore art topics through hands-on projects, interviews with special guests, and tutorials. The seasons follow the DepEd Science Curriculum partnered with themes from Art topics and concepts.

Season 1: Matter + Visual Arts

Season 2: Life and the Environment + Art in Nature

Season 3: Force, Motion and Energy + the Performing Arts

Season 4: Earth and Space + Experiments in Art

Videos will be made available on schedule. Mind S-Cool Online subscription also provides access to quizzes, worksheets, and recommended resources to further students' learning. While this is a paid subscription, BAFI also works with partners to subsidize the subscription of public schools.

The MSC is targeted at K to 12 learners with access to television and/or the internet, as well as teachers, parents, and guardians looking for educational tools that will aid them and their learners or children in adapting to the new modes of learning delivery.

Participation of public and private schools shall be subject to the no-disruption-of classes policy stipulated in DepEd Order No. 9, s. 2005 titled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith* and the policy on off-campus activities stated in DepEd Order No. 66, s. 2017. This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as *An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law)*.
