DIVISION ADVISORY NO. 107, S. 2023
October 2, 2023

In compliance with DepEd Order (DO) No. 8, s. 2013,
this advisory is issued not for endorsement as per DO 28, s. 2001,
but only for the information of DepEd officials,
personnel/staff, and the concerned public.
(Visit www.deped.gov.ph.)

HEALING STATISTICS QUIZ BEE FOR SENIOR HIGH SCHOOL

The Provincial Government of Quezon, in partnership with Rotary District 3820, will conduct the Healing Statistics Quiz Bee for Senior High School on October 20, 2023. The activity aims to enhance statistical knowledge and skills among students and to generate public awareness about the Healing Agenda and its statistics.

Participation of learners and teachers from public and private schools will be purely voluntary and will not hamper instructional time in compliance with the provision of DepEd Order No. 022, s. 2023 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2023-2024 and DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DepEd Order No. 66, s. 2017.

For more information, please see the attached communication.

18 September 2023

Dr. ROMMEL C. BAUTISTA
Schools Division Superintendent
Department of Education – Division of Quezon

Dear **Dr. Bautista,**

The Provincial Government of Quezon joins the Philippine Statistical System in the celebration of the 34th National Statistics Month with the theme "*Accelerating Progress: Promoting Data and Statistics for Healthy Philippines*" which emphasizes the importance of data and statistics in enhancing health outcomes.

As part of the NSM activities of the province, the Provincial Government, in partnership with Rotary District 3820, will be conducting the **HEALING Statistics Quiz Bee for Senior High School Students** to enhance statistical knowledge and skills among the students and to generate public awareness about the HEALING Agenda and its statistics. Attached herewith are the mechanics and entry form for the said contest.

With this, we would like to request for assistance in disseminating this invitation to all Public and Private Senior High Schools in the province. For inquiries, you may contact our office via mobile at 0951-731-9979 or 0945-209-4032, via landline at (042) 322-4483, or via e-mail at oppdcquezon.rsd@gmail.com.

We are hoping for your support in this activity. Thank you very much!

Truly yours,

Engr. RUSSELL C. NARTE, EnP
PSC Chairperson / PPDC

HEALING STATISTICS QUIZ BEE

as part of the celebration of the 34th National Statistics Month

Background

The National Statistics Month (NSM) was first observed in 1990 pursuant to Presidential Proclamation No. 647 signed by then President Corazon C. Aquino on September 20, 1990, Declaring the Month of October of Every Year as the National Statistics Month.

This 2023, the Philippine Statistical System (PSS), which includes all local government units, celebrates the 34th National Statistics Month with the theme "*Accelerating Progress: Promoting Data and Statistics for Healthy Philippines*" which emphasizes the importance of data and statistics in enhancing health outcomes. The Philippines' initiative to speed up the resolution of health system issues and challenges and promote a healthier populace is aimed at accelerating the nation's socioeconomic development with the use of quality health and health-related statistics.

With this, the Provincial Government of Quezon thru the Office of the Provincial Planning and Development Coordinator will be having a HEALING Statistics Quiz Bee for Senior High School Students in Quezon Province, as support to the 34th NSM Celebration. The HEALING Agenda, which stands for Health, Livelihood, Education, Agriculture, Infrastructure, Nature, Environment, and Tourism, and Good Governance, is the flagship program of the Provincial Government of Quezon.

Guidelines and Contest Mechanics

The HEALING Statistics Quiz Bee will be held on **20 October 2023** from **8:00 am to 5:00 pm** in **3rd Floor Old Capitol, Barangay 10, Lucena City, Quezon**. Furthermore, updates about the quiz bee will be posted on the Official Facebook Page of Office of the Provincial Planning and Development Coordinator at www.facebook.com/qppdo.

The following are the guidelines and mechanics of the contest:

1. A school can register one (1) team only. Each team must be composed of **three (3) members**, each of whom must be Senior High School students and must be currently enrolled in the school where he/she is pursuing his/her study.

Republic of the Philippines
Province of Quezon

**OFFICE OF THE PROVINCIAL PLANNING AND
DEVELOPMENT COORDINATOR**

2. To register, participants must submit the complete requirements listed below **on or before 06 October 2023** at the **Office of the Provincial Planning and Development Coordinator**, Governor's Annex Building, Capitol Compound, Barangay 10, Lucena City or send through email at oppdcquezon.rsd@gmail.com. No registration fee will be collected, but **only the first twenty (20) teams to register will be accommodated**. Registrations with incomplete documents shall not be entertained.
 - a. Fully accomplished Entry Form with attached 1×1 ID pictures and signature of school head (File available at <https://bit.ly/EntryForm-HEALINGStatisticsQuizBee>)
 - b. Certified True Copy of Enrolment Form per member or Certification from the School Registrar that the participants are enrolled for the current school year
3. Registered participants must present their School ID upon registration during the actual event for verification purposes. Substitution of registered participants may be allowed subject to the evaluation of the organizers based on the written explanation submitted by the participating school, such as in cases of unforeseen events.
4. The coverage of the contest will be:
 - a. Descriptive Statistics
 - b. Inferential Statistics
 - c. Probability Theory
 - d. Applied Statistical Methodologies
 - e. The Philippine Statistical System
 - f. Quezon Province and the HEALING Statistics
5. The contest will be composed of three (3) rounds: Elimination Round, Semi-Final Round, and the Final Round. The entire contest shall be in written form using boards and markers.

I. Elimination Round

- a. The Elimination Round will be held from 09:45 AM to 12:00 NN.
- b. Each team will be allowed to bring only one (1) non-programmable scientific calculator. The Secretariat will provide the boards, markers, and scratch papers.
- c. There will be three categories for this round: EASY, AVERAGE, and DIFFICULT. Ten (10) questions will be asked for each category. Each correct answer in the Easy, Average, and Difficult Category will merit 2 points, 3 points, and 5 points, respectively.
- d. Each member of the team will be given a corresponding number (1, 2, and 3) at the start of the contest. The proctors of each team shall be the ones to assign their corresponding numbers. Once the numbers are placed on each member of the

Republic of the Philippines
Province of Quezon

OFFICE OF THE PROVINCIAL PLANNING AND DEVELOPMENT COORDINATOR

- team, they are not allowed to exchange numbers with their teammates. For each category, Member No. 1 will answer Questions No. 1 to 3, Member No. 2 will answer Questions No. 4 to 6, and Member No. 3 will answer Questions No. 7 to 9. For Question No. 10, a random number will be drawn, and the team member assigned to that number shall be the one to answer the last question.
- e. The quizmaster will read the question twice and will also state the time allotted to answer depending on the difficulty of the question. After the second reading, the quizmaster will say "Go" after which the timer will start counting down the time allotted for the question. Only then are the selected representatives allowed to write. Failure to follow this will disqualify the team from answering the question.
 - f. After the time for answering has elapsed, the team members will automatically raise their boards. The assigned proctors will read/show their answers for checking and recording. Full points will be awarded for every correct answer and no point will be given for every incorrect answer. For questions requiring more than one answer, points will be given on an all-or-nothing basis.
 - g. Each team must write their final answer in simplest form, unless otherwise stated. Do not leave any answer in computational form (*i.e.* 5! should be written as 120.) Final answers in fraction should be expressed in lowest term. Unless otherwise stated, do not round off intermediate values (*i.e.* In linear regression, do not round off β_1 in computing β_0). Failure to do so will render the answer incorrect. If necessary, answers must have the correct label or unit of measurement.
 - h. Misbehavior of the team members during the match, as determined by the proctors, is sufficient condition for disqualification. Any sign or form of coaching from the audience during the match is also a ground for disqualification. Teams with member(s) caught cheating will also be disqualified.
 - i. The Board of Judges shall be in complete control of the contest. All protests should be referred to the judges before the quizmaster reads the next question. No protest will be entertained by the judges after the quizmaster reads the new question. The judges' decision shall be final and irrevocable.
 - j. The top ten (10) teams with the highest scores in the Elimination Round will advance to the next round. In case of ties, all of the teams with tied scores will proceed to the next round.

II. Semi-Final Round

- a. The Semi-Final Round will be held from 1:00 pm to 3:00 pm.
- b. Scores of the teams from the Elimination Round shall not be carried over and shall be reverted back to zero.

Republic of the Philippines
Province of Quezon

OFFICE OF THE PROVINCIAL PLANNING AND DEVELOPMENT COORDINATOR

- c. The same mechanics from the Elimination Round will be used, only this time, all team members will now answer the questions in group. However, only twenty-five (25) questions will be asked for this round – ten (10) for EASY, ten (10) for AVERAGE, and five (5) for DIFFICULT. Each correct answer in the Easy, Average, and Difficult category will merit 2 points, 3 points, and 5 points, respectively.
- d. The top five (5) teams with the highest scores in the Semi-Final Round will advance to the next round. In case of ties, all of the teams with tied scores will proceed to the next round.

III. Final Round

- a. The Final Round will be held from 3:00 pm to 4:30 pm.
- b. Scores from the Semi-Final Round will be carried over.
- c. The same guidelines from the Semi-Final Round will be used. However, only twenty (20) questions will be asked for this round – ten (10) for EASY, five (5) for AVERAGE, and five (5) for DIFFICULT. Each correct answer in the Easy, Average, and Difficult category will merit 2 points, 3 points, and 5 points, respectively.
- d. The top three (3) teams with the highest combined scores from the Semi-Final and Final Rounds will be declared first, second, and third places. In case of tie, Clincher questions will be asked. The first team who will get the correct answer will be declared as the winner for the specific place.

Prizes

1. The winners will be receiving the following prizes:
 - 1st Place – PhP 9,000.00, medals, certificates, and a plaque
 - 2nd Place – PhP 6,000.00, medals, certificates, and a plaque
 - 3rd Place – PhP 3,000.00, medals, certificates, and a plaque
 - 2 Consolation Prizes – PhP 1,000.00 per team
2. Non-winning participants will receive certificates of participation.
