NCERIES SCIENCE ROAD SHOW FOR SCHOOL YEAR 2026-2027

In reference to DepEd Advisory No. 079, s. 2026, NC Educational Resources and Interactive Events Services (NCEREIS) encourages both public and private schools to conduct the Science Road Show for School Year 2026–2027. This event promotes interactive and educational activities designed to help learners appreciate the impact and contributions of science in their daily lives. The attached advisory outlines the activities, their descriptions, and the target participants. However, please be reminded to strictly adhere to the provisions stipulated in DepEd Order No. 009, s. 2026, regarding the conduct of activities during the three-term academic block.

Likewise, the participation of learners and teachers from both public and private schools is strictly voluntary and must not interfere with instructional time. This aligns with the provisions of DepEd Order No. 012, s. 2025, titled "Multi-Year Implementing Guidelines on the School Calendar and Activities," as well as DepEd Order No. 9, s. 2005, titled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith." Furthermore, any off-campus activities must adhere to the guidelines specified in DepEd Order No. 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of RA 5546 also known as Act Prohibiting the Sale of Tickets and/or the collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), and reiterated in DepEd Memorandum No.041, s. 2024.

For more information, please see the attached Advisory No. 079, s. 2026

NCERIES SCIENCE ROAD SHOW FOR SCHOOL YEAR 2026–2027

The NC Educational Resources and Interactive Events Services (NCERIES) Inc. announces the conduct of its Science Road Show for the School Year 2026–2027. The event is a school-based program for public and private schools nationwide to promote science awareness among the students and to implement fun, interactive, and educational activities that would serve as helpful discussion starters and technical tools. The activities also aim to encourage them to realize the impact and contribution of scientific knowledge to their daily lives. It has the following interactive activities:

Activity	Description	Target Participants
Space Dome (Digital Mobile Planetarium and Oceanarium)	The activity educates participants about the realm of space and astronomical phenomena by explaining basic celestial navigation and the differences between asterisms, constellations, planets, and other deep-sky objects. It also teaches the physics of deep-sea exploration and extreme pressure darkness, submersible design, while recounting historic milestones in ocean exploration.	K to 12 learners
Interactive Astro Talk, Space, and Under the Sea Gallery	The activity explains science through interactive exhibits and photos in the gallery. It engages participants in the astronomy forum and discusses marine life—its beauty, importance, and conservation.	
Water Bottle Rocket Launching	The activity demonstrates the basic concept of rocket launching using plastic bottles.	
3D Film Showing	The activity immerses participants in a visual experience that enhances the depth perception of the undersea ecosystem.	
Star Gazing (Weather-permitting activity)	The activity provides an experience of a closer look at planets and deep-sky objects, and teaches the participants the actual usage of the different types of telescopes.	Grades 6 to 12 learners

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith, and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.
