WORKSHOP ON MENTAL HEALTH CRISIS RESPONSE IN SCHOOLS

The Children and Youth Wellness, Technical and Advocacy Center, Inc. (CYWTAC, Inc.) announces the conduct of a two-day workshop aimed at equipping teachers, guidance practitioners and counselors, and school leaders with practical knowledge and compassionate, evidence-based strategies for responding effectively to mental health crises in school settings.

Please be advised that participation in the said activity should be strictly voluntary, and any related expenses that may be incurred shall be shouldered personally by the participants. Participants are likewise reminded to strictly observe the Time-on-Task Policy and comply with the No Disruption of Classes Policy of the Department, as stipulated in DepEd Order No. 09, s. 2005.

For further details, please refer to the attached document.

Dear Esteemed Colleagues in the Academe,

Warm greetings!

You are warmly invited to participate in the **Workshop on Mental Health Crisis Response in Schools on August 27–28, 2026 in Hotel Dominique**, Km. 55 Aguinaldo Hiway, Barangay Maitim II, Emilio Aguinaldo Hwy, **Tagaytay City, 4120 Cavite**. As schools increasingly become spaces where learners experience emotional and psychological challenges, educators play a vital role in recognizing and responding to students who may be in distress. In many cases, teachers are the first adults who notice when a learner is struggling. Having the right knowledge and response strategies can make a meaningful difference in a young person's life. When educators are equipped to respond appropriately, schools become safer and more supportive environments for all learners. This workshop emphasizes that caring for students' mental health is not only a guidance function but a shared responsibility within the school community. By strengthening our skills in crisis response, we also strengthen our ability to nurture resilient, hopeful, and emotionally healthy learners.

This two-day workshop aims to equip **teachers, guidance practitioners/counselors, and school leaders** with practical knowledge and compassionate strategies for responding to mental health crises in school settings. It seeks to help participants recognize warning signs of student distress, provide immediate psychological support, and strengthen school-based systems that promote student well-being and safety.

Due to the interactive nature of the sessions, participation is limited and registration will follow a **first-payment, first-reservation policy**. The **registration fee is PHP 5,000 for early registration until June 15, 2026, and PHP 5,500 from June 16 to August 2026 or onsite**, with a **50% down payment required to reserve a slot**. The fee includes workshop materials, certificate, and meals (three snacks and two lunches). This is a **live-out workshop**, and accommodation will be shouldered by participants. Registration fees are **transferable but non-refundable**. Kindly confirm your attendance on or before **August 21, 2026**.

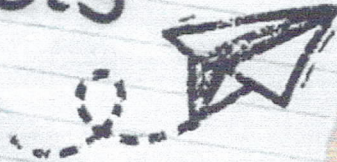

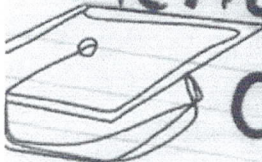

To confirm attendance, please contact us via telefax at **052-201-9889**, text at **0922-867-0941 (Sun)**, email at cywtac_legazpi@yahoo.com.ph, or through private message via **CYWTAC Legazpi's Facebook account**. Once confirmed, we will send the registration form and bank details.

We look forward to your participation as we work together to create more compassionate and responsive school communities for our learners.

Warm regards,

DR. MARYLENDRA A. PENETRANTE, CLC, MASPED
Conference Chair
Executive Director – CYWTAC, Inc.
