**DIVISION ADVISORY NO. 020, s. 2022**  
February 11, 2022

In reference to Regional Advisory 149, s. 2022 from the Office of the Regional Director Francis Cesar B. Bringas, this advisory is issued for the information of all PSDSs, Public and Private Secondary School Heads, Public and Private Elementary School Heads, Science Teachers, and other science enthusiasts.

**GEOLOGY SUMMIT**

The UP-Geology Majors' Society (UP GeMS) invites in their annual **Geology Summit** The activity is to expand the participants' horizons in the field of earth science. The said event is composed at three (3) installments on different dates with various activity namely, (1) **HIBOK-HIBOK**: Scientific Talks about Geology in Everyday Life, (2) **APOLAKI**: Interactive workshops on Remote Sending Techniques and (3) **IRAYA**: Webinar on Research During the Pandemic and Career Opportunities in Geology which will be conducted on February 19, 2022, February 26, 2022, and March 5, 2022. Target participants to this event are junior and senior high school students.

Please refer to the attached communication for reminders and details regarding the activity.

**To: Schools Division Superintendents**

Dear Superintendents,

This pertains to the letter invitation of **UP Geology Majors' Society (UP GeMS)** to their annual **Geology Summit**. The said event is composed of three (3) installments with various activities namely, (1)**HIBOK-HIBOK**: Scientific Talks about Geology in Everyday Life, (2)**APOLAKI**: Interactive Workshops on Remote Sensing Techniques and (3)**IRAYA**: Webinar on Research During the Pandemic and Career Opportunities in Geology which will be conducted on February 19, 2022, February 26, 2022 and March 5, 2022, respectively.

With the theme "*Burning Light*", the purpose of this event is to expand the participants' horizons in the field of earth sciences.

Target participants to this event are junior and senior high school students.

Attached is the letter and brochure from UP GeMS which contain all pertinent details regarding the activity.

Furthermore, those interested in joining are reminded of the following conditions:

- that the Schools Division Office be informed, in writing, of participation in the said activity;
- participation is strictly on a **voluntary basis**;
- strict observance of the **No Collection Policy** of the Department; and
- strict observance of **Time-On-Task Policy** or the **No Disruption of Classes Policy** of the Department.

Please be guided accordingly.

Very truly yours,

  
**CHERRYLOU D. REPIA**  
Officer-In-Charge  
Office of the Regional Director

**FRANCIS CESAR B. BRINGAS**

Regional Director

Region IV-A (CALABARZON)

Department of Education

Greetings!

The **UP Geology Majors' Society (UP GeMS)** is an academic organization from the National Institute of Geological Sciences, University of the Philippines Diliman, in pursuit of scholastic excellence and an advocate of student involvement in activities related to the protection of the environment.

In line with this year's celebration of its 47th founding anniversary, UP GeMS will be hosting the annual **Geology Summit** with the theme **"Burning Bright."**

With this, there will be three (3) separate installments of the event, with various activities directed towards expanding the participants' horizons in the field of earth sciences. The summit will consist of the following:

February 19	<b>HIBOK-HIBOK: Scientific Talks about Geology in Everyday Life</b> This aims to discuss the appreciation of foundational geology concepts that a common person employs in decision-making on their lifestyle.
February 26	<b>APOLAKI: Interactive Workshops on Remote Sensing Techniques</b> A brief discourse on the acquisition of data through remote sensing techniques and the vitality of the approach especially for geologists and students working from home.

### IRAYA: Webinar on Research During the Pandemic and Career Opportunities in Geology

*A discussion on the opportunities and challenges that the geologists experienced since the onslaught of the COVID-19 pandemic. The webinar aims to inform the participants about how the global issue shaped the research and development industry in geology.*

The event is open to interested high school students from all over the country. In this regard, we are humbly requesting **accreditation and endorsement** from your good office in order to help us invite more participants from public and private secondary schools in your region.

Your assistance would be of great benefit to both the success of the event and to the fulfillment of our goal in advancing the field of geosciences. Attached with this letter are pertinent details regarding the conduct of Geology Summit 2022 for your perusal.

Thank you for your time and interest. Should you have any inquiries, you may reach us at [geolsummit@gmail.com](mailto:geolsummit@gmail.com) or through the undersigned.

Sincerely,

JANE SAGA  
Geology Summit Deputy Director
