March 2, 2023

Elias A. Alicaya, Jr.
 OIC- Schools Division Superintendent
 Department of Education
 Quezon Province

Dear Sir:

Scientific Greetings!

The Association of Science and Mathematics Educators of Philippine Private Schools is on its 12th year of partnership with the Department of Education in developing knowledge and skills by conducting competitions and trainings among science and math enthusiasts. The Pandemic did not stop us in making impact through non stop learning by providing online activities to support DepEd goals, projects and programs.

We are very glad that finally we can hold in-person trainings as schools are once again open, and face to face classes are back after 2 years of home based learning. As an academic community and given the role we play in the society, we return the favor by committing to breed generations of soon to be scientists and mathematicians who will further advance the technology and knowledge of the country for the future of education. It is in this regard that we will be holding a **LEADERSHIP SEMINAR** with the theme: **"Expanding Leadership Skills, Experiences and Opportunity Horizons Through ASMEPPS Initiatives"**. It will be held on **March 25, 2023 SATURDAY, 9:00am-5:00pm** at **Saint Francis of Assisi College Gym, 96 Bayanan, Bacoor Cavite**. The participants are **Grade 4-12 STUDENT LEADERS** (SGO/SBO/YES.O/ Club Officers and Class Officers) of PRIVATE SCHOOLS in Region IV-A CALABARZON. The ASSESSMENT FEE is Three Hundred Pesos (Php300). Please see attached program for reference.

Rest assured that proper health protocol will be observed during the conduct of the activity. With this, may we request endorsement of this activity to interested private schools in the province of Quezon.

Thank you very much for your support.

Respectfully yours,

Prof. Eloisa E. Olivera
 ASMEPPS President
