Greetings from IIARI!

The **Institute of Industry and Academic Research Incorporated**, a SEC-registered research organization in the Quezon Province (CN202004359), will stage its 5th **International Conference on Multidisciplinary Industry and Academic Research (ICMIAR)** through hybrid modality on July 19 – 20, 2024 in Hotel UiTM, Shah Alam, Malaysia (onsite) and Zoom (online). This conference is in collaboration with Universiti Teknologi MARA (UiTM) Pahang Branch, Malaysia. It features four (4) tracks: educational management and development studies, business, management and accounting, humanities and social sciences, and science, technology, engineering and mathematics. For a single regular payment of \$150 (P7000 for Philippine participants) for onsite or \$100 (P5000 for Philippine participant) for online, participants receive three (3) benefits including a research presentation, journal publication and a Continuing Professional Development (CPD) certificate issued by The CPD Certification Services, United Kingdom.

This year's conference is chaired by **Ts. Dr. Duratul Ain Tolibon** of Universiti Teknologi MARA, Pahang Branch Malaysia and co-chaired by **Dr. Michelle G. Duma** of Department of Education - Quezon Province, Philippine. The details of the conference can be found at <https://iari.org/conference/icmiar/>.

The event host is a SEC-registered research organization, registered book publisher under the National Book Development Board, Philippines and a CPD provider under The CPD Certification Services, United Kingdom. The complete organization profile and the people behind it can be accessed through the official website <https://iari.org>.

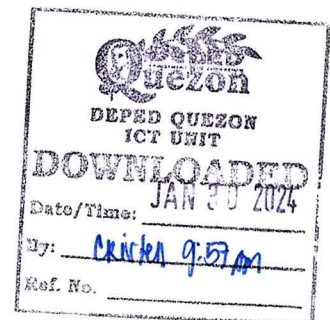

In lieu of this, may I request for an event endorsement from the Department of Education - Division of Quezon Province to invite educators and researchers from the different schools. Further queries can be addressed through email to editor@iari.org.

I am hoping for your kind consideration on this matter.

Thank you so much and God bless.

Dr. Rodrigo M. Velasco
