INVITATION TO PARTICIPATE BARD ACADEMY PH ONLINE WORKSHOP

Google for Education has developed and introduced Bard Academy PH, a conversational Artificial Intelligence Tool that aims to boost creativity and productivity in transforming education. This is Google’s response for a responsible and ethical application of generative AI in education.

Teachers from Quezon are invited to attend any of the Bard Academy PH online workshops which will be held on the following dates:

February 17, 2024 Saturday	March 2, 2024 Saturday	March 9, 2024 Saturday	March 16, 2024 Saturday
1-5 PM	8-12 NN 1-5PM	1-5 PM	8-12 NN 1-5 PM

The program will focus on fostering/building AI Literacy, integrating AI concepts responsibly, safe usage of Bard and other AI Tools, AI’s impact on education and leveraging Bard for creativity and productivity. A certificate of participation will be given once attendance and required outputs are submitted.

Participation of teachers in this weekend activity is on a voluntary basis.

Dear Sir,

Generative Artificial Intelligence or Gen AI is on the rise, particularly in chatbots and conversational AI apps, streamlining tasks. However, its use in education has garnered mixed reactions from teachers, administrators and parents. To make informed judgments, it is essential to grasp the responsible and ethical application of generative AI in education.

Bard Academy PH offers free generative AI training to Philippine teachers and professors. Bard developed by Google is a conversational AI tool that aims to boost creativity and productivity, potentially transforming education. The program focuses on fostering AI literacy, enabling educators to integrate AI concepts responsibly. Training objectives include building AI literacy, safe usage of Bard and other AI tools, exploring AI's impact on education, and leveraging Bard for creativity and productivity.

In this regard, we are thrilled to invite teachers from your schools division to attend **any (1)** of our Bard Academy PH online workshops which will be held on the following dates:

ONLINE WORKSHOP SCHEDULES					
February 17	March 2		March 9	March 16	
1 - 5 PM	8 - 12 NN	1 - 5 PM	1 - 5 PM	8 - 12 NN	1 - 5 PM

A certificate of participation will be given to attendees as soon as the requirement (to be announced during the session) is submitted online.
