2. Unlike the previous years' Career Expedition event, this school year's weekly Career Expedition event may be participated in only by Grade 12 students because we expect more schools to participate.

If they would like their Grade 12 students to attend this online event **FREE OF CHARGE**, they may fill out the Event Confirmation Form or ECF by clicking this link:

On the **ECF** that you will see on the above link, there are options for students to attend a Quarterly or an **International Career Expedition event**. Guidance officials in your Division may also be interested in these events. Unlike the weekly Career Expedition event, the **Grade 11 and 12 students** may participate in these **Quarterly** and **International Career Expedition** events.

Please be informed that only the first 60 schools (per event date) that will confirm their participation will be entitled to attend the online event **FREE OF CHARGE**. As much as we want to accommodate more schools, the number of participants is limited.
