Dear Sir / Madame:

We are honored to invite your teachers to our July 2024 Webinar-Workshops. In line with this, we respectfully request for Advisory for our three new programs on AI, Inclusive Education, and Research and Publication. These programs have been carefully designed with teaching excellence in mind and address the needs of our teachers today who are faced with the challenge of being educational leaders and innovators. We join our dear educators to participate in all three programs to maximize the benefits of a well-rounded preparation for being an excellent educational leader fully prepared to meet the challenges of the 21<sup>st</sup> century educational landscape. The programs are reviewed and accredited by the Professional Regulatory Commission – CPD Council (PRC-CPD) to ensure that all our programs meet the quality required for professional development of Licensed Professional Teachers (LPT).

## BACKGROUND

iLEAD is a non-stock, non-government organization, whose founding members share the advocacy of spearheading reform in and through education. Coming from various sectors of the academe themselves, founding members are well aware of the needs of teachers in the Philippines, especially in this crucial transition period where many of our teachers in the elementary and secondary levels need a reorientation and re-tooling to continue to become effective agents in the transformation of the Philippine educational system.

## MISSION, VISION, CORE VALUES

iLEAD envisions itself as a catalyst for change by making accessible the best training and continuing professional development to teachers all over the Philippines. We are committed to designing the best programs, tapping the best resource persons to deliver quality programs for all our participants, and bringing high quality in-service training to teachers in all levels. Our mission is, therefore, to uplift the quality of education by extending training, and continuing professional development for all teachers. Keeping in mind our core values of excellence, innovation and commitment to the delivery of quality education, iLEAD continues to pursue its goal.
