Dear Sir:

Greetings!

Amidst Covid-19 pandemic, CHED mandated different Universities and Colleges to continue different program offerings to ensure students continued education. The Southern Luzon State University Infanta Campus is now in the process of reaching grade 12 students who would like to study in SLSU Infanta as part of their preparation for their future. However, due to limitation in terms of mobility in conducting career orientation for different senior high school students plus the associated factors in terms of student’s internet capability to receive online information, the number of examinee for the upcoming entrance exam of SLSU Infanta Campus is low.

In relation to this I would like to seek permission and assistance from your good office to disseminate information to different Secondary Schools in REINA and Polillo area regarding the upcoming entrance exam. Attached are copies of our promotional materials for your reference.

Thank you very much and I hope for your kind approval regarding my humble request. God bless and more power!

Respectfully yours.

WENDY C. NOMBREFIA, Ph.D.
 Campus Director
