SIR:

Greetings of peace!

As part of the 78th Founding Anniversary, the Manuel S. Enverga University Foundation will be holding the BISITA ESKWELA on February 10-12, 2026. This aims to invite Grade 12 Senior High School students from nearby schools to have a tour of our University and get a glimpse of the colleges/departments' curricular programs and their facilities. For the weeklong activities, schools can choose a specific date and indicate their preference for either a morning or afternoon tour. Moreover, we will be providing a career exploration talk to guide students in deciding what they want to pursue in college.

In this regard, we would like to invite a maximum of 80 SHS Grade 12 students per selected school to take part in this event. Participants will be provided with transportation services and refreshments.

Upon the school's confirmation of the schedule, we will send them the itinerary of the program. Please feel free to contact the committee members at **09063246625** for further details or inquiries. They will be glad to assist you regarding this matter.

We hope that this endeavor will merit your favorable response.
