Manila, Philippines

DEPARTMENT OF EDUCATION
OFFICE OF THE SECRETARY

RECEIVED
FEB 14 2023
By: JUNALIZA E. Time: 1:15
Doc. # CO-1A-202 42280

Dear Honorable Duterte:

Greetings!

In order to foster a deep research culture, St. Paul University Philippines (SPUP), a CHED recognized University, Center of Excellence in Nursing and Teacher Education, and Center of Development in Information Technology, will be conducting the 6th International Interdisciplinary Research Conference on August 10-12, 2023, with the theme "Research for Educational, Sustainable, and Environmental Actions for Resilient Community and Humanity (RESEARCH) towards Greater Relevance" at the Global Center Function Hall of SPUP.

The conference aims to:

1. present innovative and effective solutions to societal problems by conducting intensive investigation, generating new knowledge and solutions, and inventing and introducing new products, systems, services, and policies towards sustainability;
2. upgrade their level of expertise by expanding their knowledge and skills through mentorship and collaboration; and,
3. expand their network through academic and scientific discussions.

A minimal fee of USD 150 (foreign) or PhP 5,000 (local) will be charged from each participant to defray expenses related to the conduct of the conference such as honorarium of the speakers, certificates, conference souvenir program, kits, meals, snacks, other related expenditures. Early bird registration fee are USD 100 (foreign participants) and PhP 3,500 (local participants).

In this regard, may we request your good Office to endorse this International Conference to all DepEd Schools in the Philippines? We are also requesting you for a message to be printed in the Souvenir Program.

Thank you for your kind attention and consideration.

Very truly yours,

JEREMY GODOFREDO C. MORALES, PhD
Director, Internationalization
Conference Chair

Conference Output:	Research Innovation Laboratory

FOR OSEC
 TRAIL: BLD
 DATE: DECEMBER 2, 2023 2:52 pm

I. BRIEF BACKGROUND

As a systematic investigation of and study of certain phenomena and their effects towards improvement and development; and in order to establish facts and reach new conclusions, St. Paul University Philippines (SPUP) embraces this scientific and academic endeavor to better hone the research skills of educators and practitioners. On its 6th conference, SPUP gears towards providing technical skills to inventors and research enthusiasts in technical research skills.

This conference shall offer research services that will allow investigators and scholars to provide scientific outputs that are relevant and innovative, and which can generate new ideas with high utility value and solutions to real-life problems. Creativity and critical thinking are taken into consideration when venturing into research, thus, this conference will open opportunities for researchers to provide new technologies, generate new knowledge, and effective solutions.

II. TARGET PARTICIPANTS

They will be coming from various sectors who would want to learn from and interact with the speakers, investigators and research presenters. (Educators, Researchers, General Practitioners, Graduate School Students, Research Enthusiasts)
