Subject: Invitation to Join Online Seminar: Building Strong Numeracy Foundations and Effective Assessment Strategies in Key Stage 1 Classroom

Dear Bautista,

The **Institute of Professional Across Discipline (IPAD)** Inc. is a professional organization dedicated to advancing excellence in education and practice. Guided by its mission to empower educators through capacity-building, collaborative learning, and research-informed strategies, IPAD Inc. provides platforms for continuous professional development that foster innovation, integrity, and institutional growth.

In line with this mission, we respectfully request your Division Office to issue a Division Advisory for the upcoming Online Seminar entitled:

“Building Strong Numeracy Foundations and Effective Assessment Strategies in Key Stage 1 Classrooms”

This professional learning session is designed to support Key Stage 1 Teachers (Kindergarten to Grade 3) by strengthening their understanding of foundational numeracy skills and equipping them with effective, classroom-based assessment strategies.

Objectives of the Seminar

- a. Enhance teachers' competence in developing strong numeracy foundations in Key Stage 1.
- b. Provide effective and developmentally appropriate assessment strategies.
- c. Promote engaging, learner-centered mathematics instruction.
- d. Support teachers in making data-informed instructional decisions.

We believe that this professional learning opportunity will greatly benefit teachers and contribute to improved mathematics teaching and learning in the Division. Your support in disseminating this information through a *Division Advisory* will ensure that more educators can access and benefit from this initiative.

Thank you very much for your kind consideration and continued support in advancing professional development for our teachers.

Thank you very much.

Respectfully Yours,

Arjohn V. Gime, LPT, PhD
President, IPAD
