DIVISION ADVISORY NO. 058, s. 2022

04 April 2022

In reference to the communication from the Sacred Heart College, this advisory is issued for the information of all Public Schools District Supervisors, Elementary and Secondary School Heads, educators and research enthusiasts.

INTERNATIONAL RESEARCH CONFERENCE 2022

The Sacred Heart College invites educators and administrators of private and public schools in the First International Conference on Research and Paper Presentation with the theme Weaving Christian Values Through Research in the D-VUCAD World from April 27 to 30, 2022.

This activity aims to provide an opportunity to educators, researchers, formators and administrators to exhibit their excellence and showcase their exemplary practices on value integration in the curriculum and multi-disciplinary research, and provide a podium for the dissemination of research initiatives. Participation shall be on voluntary basis and subjected to no-disruption-of-classes policy stipulated in **DepEd Order No. 9, s. 2005** entitled Instituting Measures to Increase Engaged Time-on-Task and ensuring compliance therewith. Participants are also advised to strictly follow and observe the IATF guidelines on safety and health protocols.

Kindly see the attached communication for further information.

2022**

"Weaving Christian Values Through Research in the D-VUCAD World"
27-30 April 2022 / via zoom

31 March 2022

DR. ELIAS A. ALICAYA, JR.
Assistant Schools Division Superintendent
Office-in-Charge
Division of Quezon

Dear Dr. Alicaya:

Warmest Greetings!

It is with much delight and pleasure to share with you that Sacred Heart College of Lucena City, Inc. has organized its **First International Research Conference** in collaboration with its Graduate School, the Institutional Research Development Office, and the Daughters of Charity-St. Louise de Marillac Educational System (DC-SLMES) Research Core Group. This will be held on 27-30 April 2022 with the theme **"Weaving Christian Values Through Research in the D-VUCAD World."**

This International Research Conference is hoped to bring together educators, researchers, formators, and administrators in one big 4-day event that will focus on value integration in the curriculum and research.

This is packed with learning opportunities, round table discussion, first-hand inputs from international speakers in education, Christian values and formation, and curriculum planning, oral paper presentations, recognition of best paper, keynote speech, concurrent sessions, the discovery of best practices via benchmarking activities with other participating schools and institutions and some surprises that will add delight to the conference.

With these special features of the conference, the participants will have the chance to engage themselves with the featured experts who are leading thinkers, researchers, and advocates in the field of value integration.

Specifically, this international research conference aims to achieve the following objectives:

- 1. situate the conference to the needs of the pressing time;

2. present and describe various social, school, and community contexts where retrofitting and integration of values in the curriculum and multi-disciplinary research can be dove-tailed;
3. explicate and review scriptures, church, and social teachings where value integration can be best rooted and integrated into the curriculum and research across disciplines;
4. demonstrate the integration of values in the curriculum and multi-disciplinary research;
5. showcase exemplary practices on value integration in the curriculum and multi-disciplinary research;
6. provide a podium for the dissemination of research initiatives, and;
7. raise funds for the rebuilding project of SHC.

In view thereof, we are cordially inviting you to participate in this conference. Attached are as following that will guide you in your participation and registration:

1. Conference Participation with Importance Dates to Remember and Registration Procedure.
2. Call for Paper
3. Provisionary Program of Activities

In times of uncertainty, one thing is undeniable: we need each other more than ever. The global academic community understands that solving complex global challenges brought about by the long-term effects of the pandemic can be achieved by cultivating, integrating, and strengthening our own values system that would lead to collaboration across differences.

We hope to see you then. Our profound gratitude.

Best regards,

Raquel R. Sena

INTERNATIONAL RESEARCH CONFERENCE 2022

Weaving Christian Values Through Research in the D-VACUD World
27-30 April 2022 / via zoom

This International Research Conference is hoped to bring together educators, researchers, formators and administrators in one big 3-day event that will focus on value integration in the curriculum. This is packed with learning opportunities, round table discussion, first-hand inputs from international speakers in education, Christian values and formation, and curriculum planning, oral paper presentations, recognition of best paper, keynote speech, concurrent sessions, the discovery of best practices via benchmarking activities with other participating schools and institutions and some surprise that will add delight to the conference.

With these special features of the conference, the participants will have the chance to engage themselves with the featured experts who are leading thinkers, researchers, and advocates in the field of value integration.

The conference theme "Weaving Christian Values Through Research in the D-VUCAD World" anchored on the metaphoric process of weaving fabric, will serve as the conference canvass. Hence, it guided the selection and conceptualization of topics and activities for the said conference.

So, join us in working together to reinvent and rebuild a field that prepares and empowers the next generation who will contribute to a better world. In times of uncertainty, one thing is undeniable: we need each other more than ever. The global academic community understands that solving complex global challenges brought about by the long-term effects of the pandemic can be achieved by cultivating, integrating, and strengthening our own values system that would lead to collaboration across differences.

Weaving Christian Values Through Research in the D-VUCAD World

Sacred Heart College of Lucena City, Inc.

cordially invites you to its

INTERNATIONAL RESEARCH CONFERENCE 2022

Weaving Christian Values Through Research in the D-VACUD World
27-30 April 2022 / via zoom

This International Research Conference is hoped to bring together educators, researchers, formators and administrators in one big 3-day event that will focus on value integration in the curriculum. This is packed with learning opportunities, round table discussion, first-hand inputs from international speakers in education, Christian values and formation, and curriculum planning, oral paper presentations, recognition of best paper, keynote speech, concurrent sessions, the discovery of best practices via benchmarking activities with other participating schools and institutions and some surprise that will add delight to the conference.

With these special features of the conference, the participants will have the chance to engage themselves with the featured experts who are leading thinkers, researchers, and advocates in the field of value integration.

The conference theme "Weaving Christian Values Through Research in the D-VUCAD World" anchored on the metaphoric process of weaving fabric, will serve as the conference canvass. Hence, it guided the selection and conceptualization of topics and activities for the said conference.

So, join us in working together to reinvent and rebuild a field that prepares and empowers the next generation who will contribute to a better world. In times of uncertainty, one thing is undeniable: we need each other more than ever. The global academic community understands that solving complex global challenges brought about by the long-term effects of the pandemic can be achieved by cultivating, integrating, and strengthening our own values system that would lead to collaboration across differences.

DR. ELIAS A. ALICAYA, JR.

Assistant Schools Division Superintendent
Office-in-Charge
Division of Quezon

Dear Dr. Alicaya:

Warmest Greetings!

It is with much delight and pleasure to share with you that Sacred Heart College of Lucena City, Inc. has organized its **First International Research Conference** in collaboration with its Graduate School, the Institutional Research Development Office, and the Daughters of Charity-St. Louise de Marillac Educational System (DC-SLMES) Research Core Group. This will be held on 27-30 April 2022 with the theme **"Weaving Christian Values Through Research in the D-VUCAD World."**

This International Research Conference is hoped to bring together educators, researchers, formators, and administrators in one big 4-day event that will focus on value integration in the curriculum and research.

This is packed with learning opportunities, round table discussion, first-hand inputs from international speakers in education, Christian values and formation, and curriculum planning, oral paper presentations, recognition of best paper, keynote speech, concurrent sessions, the discovery of best practices via benchmarking activities with other participating schools and institutions and some surprises that will add delight to the conference.

With these special features of the conference, the participants will have the chance to engage themselves with the featured experts who are leading thinkers, researchers, and advocates in the field of value integration.

Specifically, this international research conference aims to achieve the following objectives:

1. situate the conference to the needs of the pressing time;

2. present and describe various social, school, and community contexts where retrofitting and integration of values in the curriculum and multi-disciplinary research can be dove-tailed;
3. explicate and review scriptures, church, and social teachings where value integration can be best rooted and integrated into the curriculum and research across disciplines;
4. demonstrate the integration of values in the curriculum and multi-disciplinary research;
5. showcase exemplary practices on value integration in the curriculum and multi-disciplinary research;
6. provide a podium for the dissemination of research initiatives, and;
7. raise funds for the rebuilding project of SHC.

In view thereof, we are cordially inviting you to participate in this conference. Attached are as following that will guide you in your participation and registration:

1. Conference Participation with Importance Dates to Remember and Registration Procedure.
2. Call for Paper
3. Provisionary Program of Activities
