ELEVATE CALABARZON 2025

In reference to RO No. 75, s. 2025 dated January 31, 2025, the Department of Science and Technology Philippine Science High School CALABARZON Regional Campus invites teachers to participate in the ELEVATE CALABARZON 2025. The activity aims to support public school teachers in enhancing pedagogical skills and content knowledge in their respective subject areas.

For further details about the activity refer to the attached RO Advisory 75 s., 2025.

Participation by teachers is strictly voluntary and must not interfere with instructional time. This aligns with the provisions of DepEd Order No. 009, s. 2024, titled *"Implementing Guidelines on the School Calendar and Activities for the School Year 2024–2025,"* as well as DepEd Order No. 9, s. 2005, titled *"Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith"*. Furthermore, any off-campus activities must adhere to the guidelines specified in DepEd Order No. 66, s. 2017.

Department of Education (DepEd)
Region IV CALABARZON

Dear Atty. EscobarTE:

Greetings!

As part of our commitment to serving the community by supporting public school teachers in enhancing their pedagogical skills and content knowledge in their respective subject areas, the **Philippine Science High School – CALABARZON Region Campus** respectfully seeks your endorsement to allow **DepEd elementary teachers handling Grades 4 to 6 classes** to participate in **ELEVATE CALABARZON 2025: Innov8** themed "Enhancing Elementary Teachers in Content and Pedagogy Through Pisay Best Practices."

This community outreach program, a **free two-day seminar-workshop**, will be held on **March 22-23, 2025**, at the **Philippine Science High School – CALABARZON Region Campus, Sitio Sampaga West, Brgy. Sampaga, Batangas City**. The event, celebrating its eighth year of honing the pedagogical skills of public school teachers, will feature distinguished resource speakers, an ordinary sessions and experienced Pisay teachers for parallel sessions. Participants will benefit from lectures, workshops, and teaching demonstrations across a range of subject areas, including:

- **Humanities Subject Areas** (e.g., English, Filipino, Social Science, Values Education, PE, Music, Health)
- **STEM Subject Areas** (e.g., Integrator, Sciences, Biology and Agriculture, Chemistry, Physics, Research, Mathematics, Computer Science, Technology and Engineering with Arts and Design)

Following are the objectives of **ELEVATE CALABARZON 2025: Ignite**:

1. To advance elementary teachers' competencies in content and pedagogy by providing workshops aligned with Pisay best practices.
2. To introduce innovative strategies for promoting active class engagement, context, and 21st Century competencies in Grades 4-6 classrooms.
3. To strengthen teaching methodologies in Humanities and STEM subjects through targeted lectures on current trends and effective practices.
4. To inspire creativity and critical thinking by integrating arts and design into STEM education, and vice-versa.
5. To support the professional growth of elementary teachers by offering practical tools and techniques applicable to their specific subject areas.
6. To foster a culture of excellence in education by sharing Pisay's approaches to holistic student development.
