Dear Dr. Alicaya:

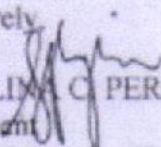

Greetings of Peace!

The Philippine Guidance and Counseling Association (PGCA)- Quezon Chapter, a community based organization supported by the Philippine Guidance and Counseling Association, Inc. (PGCA) National Office, an accredited organization of the Professional Regulation Commission, is consistently extending service to our province especially in maintaining mental health during this time of pandemic and other uncertainties.

PGCA-Quezon Chapter proposes a project which aims to make psychosocial support available for free for teachers in our locality; to assist our dear teachers who may experience difficulty in coping and adjusting in our new work structure, modality and other personal circumstances; and to help ensure that a sound mental health in the academic community is everywhere with the support of the members of our organization.

In this regard, we would like to ask your good office to make this aspiration a reality by endorsing our project in your division. Teachers who would like to seek psychosocial support can reach/message us via our FB page PGCA Quezon Chapter. This project will run for three months which will start once this proposal is approved.

Thank you very much. In anticipation of your positive response and support to make this endeavor a success. More power to your office.

Sincerely,

MA. LINA C. PEREGRIN, RGC
President
PGCA- Quezon Chapter
