GILBERT C. ALVA

Senior Education Program Specialist
Planning and Research
Department of Education
Schools Division of Quezon Province

Dear **Mr. Gilbert;**

The Asian Center of Education, Research, and Training for Innovation (ACERT) is an organization that promotes professional and institutional development in the areas of education and human development. It is organized under the vision of creating a platform where globally oriented quality and excellent capability building programs and initiatives meet the demands of academic scholars and education practitioners in both public and private sectors in the Philippines.

To make this aspiration concrete, we would like to invite you as a resource speaker as ACERT is conducting an *international training-seminar, in a webinar format, on 10-12 June 2022 (Pedagogy), 17-19 June 2022 (Leadership); and 24-26 June 2022 (Action Research)* with the theme, ***"Navigating the Education Environment in a Blended and Classroom-based Learning Scheme: International Training Workshop Innovating Pedagogy, Calibrating School Leadership, and Transforming Teacher Research into Publication"***. As practitioners of education in the country, we are pleased to invite you, your teachers and non-teaching personnel to join us in this event as we navigate through the discussions on the future of learning in the post-pandemic situation. Your institution can truly benefit from this event as recent discourse on the future of education be given attention.

We are also glad to collaborate and work with you as we convey your appointment as our coordinator and member of the steering committee. Your contribution is valuable in making our advocacy of enriching the professional development of our educators realized.

Should you have further inquiries and clarifications, our team is willing to discuss with you through the most convenient platform you may wish. You may also reach us through secretariat@acert1st.asia or management@acert1st.asia.

It is our fervent hope that you may be able to contribute in our advocacy of globalizing the professional development of our educators.

Thank you very much.

Sincerely,

Maria Joanna Francesca F. Castro
