Good day, Sir.

I am **Jairoh Nicolas Taracina**, a **DepEd Buenavista, SDO Quezon** is representing our group in a research undertaking entitled, ***A Study on Continuing the Distance Learning Modality of Graduate Studies in the Post Covid Philippines***. As one of the authors from all over the country, we are trying to cover as many graduate student respondents as possible in our archipelago. Thus, we are requesting your good office for permission to conduct the study to the teachers or students under your command who currently or previously enrolled in graduate studies.

Our research is not funded or endorsed by any government or private institution thus our only aim is to raise the awareness about the researched topic and be available to a larger research community. We only rely on the goodwill of schools and those who will participate and share their time to answer the short questionnaire we drafted.

Should you decide to approve this request, I attached here the link which you can share to all teachers / graduate students under your direct command. [Please click here to view the questionnaire](#) or visit this link [tiny.cc/gssurvey](https://tiny.cc/gssurvey) or scan the code below.
