LAPU-LAPU, THE NEO CLASSIC-ETHNO-ROCK-FUSION OPERA

The Earthday Jam Foundation, Inc., in its mission to share and remind us of our sovereign rights and our freedom that has been sustained by the blood of our ancestors, presents the theater spectacle LAPU-LAPU, the Neo Classic-Ethno-Rock-Fusion Opera.

LAPU-LAPU was originally produced in 1997 at the main theater of the Cultural Center of the Philippines and remastered this year as an online presentation for the celebration of the Quincentennial Commemoration of 500 years of Christianity and our triumph as Filipino people.

LAPU-LAPU, the Opera is about the mystique that enshrouds the first native to defy imperialistic power, the basic conflict between Lapu-Lapu and Magellan—between dweller and invader, between native son and alien explorer. It explores the clash between two world views—that of the mystical East and that of the rational West—within the context of communication and culture as ultimately ramified in the ethos of courage and power. The Opera sheds light on the conflict of Lapu-Lapu and Magellan and puts the 1521 encounter among the decisive moments in history via pop entertainment.

Endorsed by the National Quincentennial Committee, the Opera aims to reach out to the younger audience to learn more about our history and be exposed to a diverse musicality that is proudly composed by a Filipino and hailed as comparable to Broadway productions.

The Opera will be streamed free for the first time to the public for 24 hours from June 12, 7:30 p.m. to June 13 7:30 p.m. on Lou Bonnevie YouTube Channel at https://www.youtube.com/channel/UCZks32ykA-h_U7fQMp4BDbA, simultaneous with Earthday Jam YouTube channel for two hours and 15 minutes. The premier video of the event may be viewed through this link: <https://youtu.be/JDO9HwGhY5s>. This is LAPU LAPU, A Neo Classic Ethno Rock Fusion Opera.
