Dear **Sir/ Madam:**

Greetings in the name of quality and relevant education!

CHRDF Inc. in its effort to provide upskilling and retooling of teachers and school leaders, we will conduct an **Educators' Congress and Seminar Workshop on Designing Learning Experience** from July 2-5, 2021 via Zoom App. In partnership with Great Books Trading, Big Pond Enterprise and Southeast Asian Research Collaborators' Hub (SeARCH) we offer this learning event for FREE, open to all interested school leaders, teachers and non-teaching staff.

The theme of the conference is **Making it Happen: Putting the Learners at the Center amid the Pandemic using Learning Experience Design (LX Design).**

Conference rationale: The pandemic changed everything in education. From the routines, procedures and even learning modalities, everything changed. After a year of implementing the new normal in education, teachers and school leaders alike realized that the usual teaching and learning practices are ineffective in remote learning setting. New wine needs a new wineskin (Mt. 9: 14-17). Learning Experience Design is a new pedagogical approach that focuses on the importance of intentionally shaping the experience so that the learner leaves with something to remember. Through the Congress' sessions and workshops, the participants will be led to be cognizant on creating a relevant and meaningful lesson blueprint fit for the needs of the learners.

Plenary session topics:

1. From Online Distance Learning to Hybrid Learning
2. Addressing Cyberspace Security Problems through Cyber Laws
3. Embracing a Strength-Based Perspective and Practice in Education&
4. Confronting Computer Addiction among the Young
5. Unpacking Learning Experience Design

- b. Media Information Literacy
- c. Alternative Learning System
- d. Improving Teacher's Competency
- e. Helping Parents Embrace Their Role in Education
- f. Harness Mind Power for Success
- g. Professional Learning Communities (LAC Session)

Target participants: Current teachers and school leaders from public and private schools in the Philippines and abroad, pre-service teachers, newly licensed professional teachers, education students and other school stakeholders.
