Dear **Mr. Alicaya:**

Greetings from the Department of Information and Communications Technology Region IV-A!

We regret to inform you that the Free Wi-Fi for All site under your area has temporarily stopped its normal operation due to the expiration of our contract with contractors in Quezon Province.

Based on the Memorandum from DICT Central Office and as required by the procurement processes of our government, we shall again open the project for competitive bidding of all our Managed Internet Service sites for 2022 and select the service provider that is the most fit to provide service to the Free Wi-Fi for All program as it is advantageous for the citizens and the government.

We hope for your understanding as we continuously work to improve our services. Thank you very much for your interest in the DICT's Free Wi-Fi for All and we hope for your continued support of our humble initiative.

Yours in public service,
