### Data Storytelling and Visualization using Spreadsheet In-depth Training Workshop - November 6, 13 and 20, 2022 (VIRTUAL WORKSHOP)

*Did you know that you can create an elegant and powerful data visualization using a Spreadsheet alone? Data visualization and storytelling are skills that every data-driven organization must cultivate among its workforce.*

*Stop spending millions of pesos on costly software subscription, use the software available in your computer.*

Data Visualization and Storytelling are simple, efficient ways of communicating complex data and information through easy-to-understand charts, maps, and graphs. It is a skill that every employee needs to possess for an organization to be agile and competent. There are three common challenges (Robbins, 2011) statisticians and others face when preparing data for presentation include poor options and defaults in many software packages used for creating graphs, managers and colleagues who are socialized to expect figures that attract attention, and poor instructions from conference organizers.

Allow us, STRATONE, help you in resolving and create powerful presentation through Data Storytelling and Visualization using Spreadsheet In-depth Training Workshop - November 6, 13 and 20, 2022 (21.24 training hours).

#### Objectives:

- Train participants to convince stakeholders through: storytelling with data.
- Learn how to create convincing and effective data visualization.
- Learn how to create rich informative data graphs.
- Learn how to craft compelling narratives with data.
- Learn how to format your graphs for impact.
- Learn how to turn default graphs from tools such as Excel and Google Sheets into effective data communications.

To access the course outline, description, and program of activities, send us an email.

The registration fee is **₱3,100.00** includes 12% VAT, Zoom meeting link, digital handouts, datasets, installer of the software, digital certificates (of participation, completion, and attendance), recording of the webinar, and the learning experience. OFFICIAL RECEIPTS will be provided upon payment. STRATONE is a VAT company.

START One has been operating for a year now, catering to the market research and training requirements of BPOs, various government agencies, and academic institutions here in the country. The STRAT One (Strategic One Business Management Consultancy Firm) is an emerging business that provides "world-class" webinars, training, seminar, and conferences at an affordable price for the market. We believe that learning management, marketing, business strategy, data science, and research should be reasonable (the Philippines) to emerge as a leading business destination in the ASEAN. Moreover, STRAT One aims to democratize analytics here in the Philippines.
