

Republic of the Philippines
Department of Education
 Region IV-A
 SCHOOLS DIVISION OF QUEZON PROVINCE

DIVISION ADVISORY NO. 117, s. 2021
 31 August 2021

In reference to the sent invitation of the **STRATONE** dated August 17, 2021 regarding their **Data Science and Research Webinars**, this Advisory is issued for the information of all the Public Schools District Supervisors, Public Elementary and Secondary School Heads Teaching and Non-Teaching Personnel and all others concerned.

ADVANCED STATISTICAL ANALYSIS USING JASP AND JAMOVI

The **STRATONE** will undergo a three-day workshop on the **Advanced Statistical Analysis using JASP and JAMOVI** via Zoom on September 20 – 22, 2021. The activity aims to review the fundamentals of statistics, learn how and when to use bootstrapping and data information, and learn the application of advanced statistics.

A registration fee of **P3000.00** will be collected from each participant to cover the payment for the learning materials and certificates. Interested participants are hereby advised to see the attached document for reference on other pertinent information.

Participation to the said activities should be **voluntary**, and related cost which may be incurred by the participants shall be on **personal expense or sourced from a legitimate local government unit donor**. Participants are also reminded to **strictly observe Time-On-Task Policy**, and **strict compliance to No Disruption of Classes Policy** of the Department as stipulated in DepEd Order No. 09, s. 2005.

Please be guided accordingly.

ELIAS A. ALICAYA JR., EdD
 Assistant Schools Division Superintendent
 Officer-In-Charge
 Office of the Schools Division Superintendent

Advanced Statistical Analysis using JASP & Jamovi (September 20-22, 2021)

A three-day workshop via Zoom. An essential goal of this course is to approach data analysis from the perspective of understanding statistics and their relationship to research rather than focus on mathematics or memorizing formulas. The softwares that the participants will use in this workshop are FREEWARES, in other words, these are free and legitimate. JASP and JAMOVI has been in the field of academe for a decade. However, no private organizations are promoting these freeware other than STRATONE.

Course Description: Within this course, participants will study multivariate techniques, data transformation, bootstrapping, including model testing, decision theory, and advanced statistical techniques. The first day of the workshop will serve as a refresher in basic statistics.

Course Objectives:

1. Review the fundamentals of statistics.
2. Learn how and when to use bootstrapping and data transformation.
3. Learn the application of advanced statistics.

Advanced Statistical Analysis using JASP & Jamovi (September 20-22, 2021) -- P3000.00 (per participant). The registration fee includes digital handouts, datasets, installer of the software, digital certificates (of participation, completion, and attendance), recording of the webinar, and the learning experience. Scanned OFFICIAL RECEIPTS will be provided 4 days upon payment.

Note: To access the course outline, description, and program of activities, click this link: <<<https://drive.google.com/drive/folders/19FfGcc9BuVVhtne4GPWq6G648NZzoGLh?usp=sharing>>>.

To register (copy-paste the link to your web browser): <<<https://forms.gle/N6Qhca5C7uEGGned6>>>

Payment details:

 Account Name: **Strategic One Business Management Consultancy Firm**

 Account Number: **3831-0043-38**

 Bank: **Landbank of the Philippines (Alabang Business Center Branch)**
Who should attend?

1. Government employees who wants to learn basic statistical analysis and those who are interested on JASP and Jamovi.
2. Academicians who are doing and teaching research and statistics.
3. Private sectors, who wants to know alternative data analysis softwares that are **FREE** of charge.
4. Non-governmental organizations.
5. Students (undergraduate and graduate level).

Thank you, and have a great year!

Regards,

 STRAT One
