**25th PHILIPPINE MATHEMATICAL OLYMPIAD OF THE MATHEMATICAL SOCIETY OF THE PHILIPPINES**

The Mathematical Society of the Philippines and the Department of Science and Technology-Science Education Institute will hold its 25th Philippine Mathematical Olympiad (PMO) this School Year 2022-2023.

The PMO aims to

1. stimulate the improvement of mathematics education in the country by awakening greater interest in and appreciation of mathematics among students and teachers, and gaining insights into the level of mathematics learning;
2. identify and motivate the mathematically gifted;
3. identify potential participants to the International Mathematical Olympiad;
4. provide a vehicle for the professional growth of teachers; and
5. encourage involvement of public and private sectors in the concerted promotion and development of mathematics education.

The three stages of the competition are the following:

Date	Activity	Description
January 14, 2023 (Saturday)	Qualifying Stage	This stage is a three-hour competition consisting of objective-type questions (e.g., multiple choice, short answer) that will be answered simultaneously by participating high school students (Grades 7 to 12) from all over the country. This stage will be conducted both online and onsite.
February 11, 2023 (Saturday)	Area Stage	In this stage, the top 30 students from each area (Luzon, Visayas, Mindanao and National Capital Region) will have to answer several objective-type questions as well as solve two-three problems. This stage will be conducted, simultaneously, both online and onsite.
March 18-19, 2023 (Saturday and Sunday)	National Stage	This stage is a two-day competition. On each day, the 20 National Finalists will solve four challenging problems for 4.5 hours. This stage will be done onsite.

Target participants to this activity are all junior and senior high school students from public and private schools.

The top students of the PMO will be invited to join the training that will select the Philippine Team to the 64th International Mathematical Olympiad (IMO). The IMO will be held in July 2023 in Chiba, Japan.

Target participants to this activity are all junior and senior high school students from public and private schools.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order (DO) No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time on Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017. This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law).
