SCIEN-SAYA YOUTH CAMP

The Philippine Foundation for Science and Technology PFST and the Department of Science and Technology DSOT will sponsor an outdoor activity for selected Junior High School students of Polillo District on November 18, 2023, in Polillo Central Elementary School. This activity is part of the DOST Region IV – A project entitled Community Empowerment through Science and Technology. The activity primarily aims to heighten the interest and awareness of the students in marine conservation and marine coastal protection, complementing the activities are topics on Space and Astronomy.

The participants to this activity are student representatives from the four (4) junior high schools in Polillo District (Please see attached letter for the number of participants per school). The student representatives are required to secure parents' consent for the said activity. On the other hand, teacher's participation is voluntary and will follow provisions on teachers' participation in extra-curricular activities.

Participation of learners and teachers from public and private schools will be purely voluntary and will not hamper instructional time in compliance with the provision of DepEd Order No. 022, s. 2023 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2023-2024 and DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DepEd Order No. 66, s. 2017.

For more information, please see the attached invitation letter.
