SCHOOLS DIVISION OF QUEZON PROVINCE

DIVISION ADVISORY NO. 135, S. 2023
November 23, 2023

In compliance with DepEd Order (DO) No. 8, s. 2013, this advisory is issued not for endorsement as per DO 28, s. 2001, but only for the information of DepEd officials, personnel/staff, and the concerned public.
(Visit www.deped.gov.ph.)

CHANGE OF DATE OF SCIEN-SAYA YOUTH CAMP

The SCIEN-SAYA YOUTH CAMP sponsored by the Philippine Foundation for Science and Technology and the Department of Science and Technology which was previously scheduled last November 18, 2023, through the issuance of Division Advisory 131 dated November 13, 2023 will be rescheduled on **December 2, 2023** to be held at Polillo Central Elementary School.

The participants to this activity are student representatives from the four (4) junior high schools in Polillo District (Please see attached letter for the number of participants per school). The student representatives are required to secure parents' consent for the said activity. On the other hand, teacher's participation is voluntary and will follow provisions on teachers' participation in extra-curricular activities.

It is reiterated that the participation of learners and teachers from public and private schools will be purely voluntary and will not hamper instructional time in compliance with the provision of DepEd Order No. 022, s. 2023 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2023-2024 and DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DepEd Order No. 66, s. 2017.

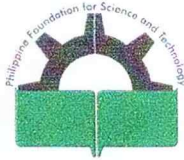

For more information, please see the attached invitation letter.

Sitio Fori, Brgy. Talipan, Pagbilao, Quezon

Dear Dr. Bautista:

Warm greetings from the Philippine Foundation for Science and Technology!

This refers to the DOST4A- PFST joint project in Polillo island, the *Science-Saya Youth Camp* which was set on November 18, 2023 through the issuance of DepEd Quezon Division Advisory 131 dated November 14, 2023.

Regrettably, due to the adverse weather conditions caused by the shearline and the Low-Pressure Area (LPA) in the region, the organizers are compelled to cancel the said educational activity considering the potential risks posed to the safety of the participants, training team and other stakeholders.

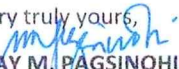

However, we have rescheduled the Science-Saya Youth Camp to take place on December 02, 2023 (Saturday). In light of this adjustment, we kindly seek your support in issuing an addendum to the previously issued Division Advisory, ensuring that all stakeholders are informed of the updated schedule.

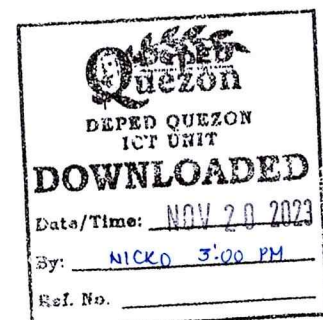

We assure you that the rescheduled activity will be executed with utmost consideration for safety protocols and guidelines knowing that our top priority is the well-being of all participants/stakeholders involved.

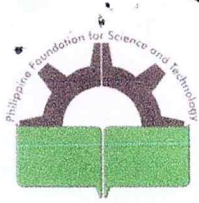

We appreciate your understanding and flexibility in accommodating this request. Your continued support has been instrumental in the success of PFST and DOST 4A programs in Polillo, and we are grateful for the partnership.

Thank you very much for DepEd Division of Quezon's continued support. We look forward to your positive response and a successful and safe Science-Saya Youth Camp on December 02, 2023.

More power to the Department of Education-Division of Quezon!

Very truly yours,

MAY M. PAGSINOHIN
