INVITATION TO THE 7TH DLSU Senior High School Research Congress

The De La Salle University Manila invites all interested senior high school research enthusiasts to participate in the **7TH DLSU Senior High School Research Congress** with the theme: AI for Humanity: Reframing the Power of Artificial Intelligence in Empowering Societies and Connecting Communities **on June 23 to 25, 2025**.

Participation in the above congress should be strictly voluntary and shall be governed by the No Disruption of Classes Policy, and the Time-on-Task Policy of the Department, as stipulated in DepEd Order No. 09, s. 2005.

This activity is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contribution for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges, and Universities (Ganzon Law).

For inquiries on registration and other details, please see the attached communication and contact information.

[Invitation] 7th DLSU SHS Research Congress.pdf;

Dear Administrators, Research Mentors, and Teachers,

Greetings in St. La Salle!

We are pleased to invite you to the **7th DLSU Senior High School Research Congress** to be held on **June 23 and 25, 2025**, via a hybrid and hyflex format. This year's Congress carries the theme: ***"AI for Humanity: Reframing the Power of Artificial Intelligence in Empowering Societies and Connecting Communities."***

The **DLSU SHS Research Congress** remains the premier national gathering of senior high school students, educators, and researchers. It is a platform for showcasing innovative research, creative solutions, community-centered projects, entrepreneurial ideas, and artistic expressions that demonstrate the pivotal role of young researchers in shaping a more inclusive and forward-thinking society.

Building on the success of last year's Congress, which welcomed over 2,700 participants from more than 55 schools and featured over 200 papers, exhibitions, and performances, this year's event seeks to expand the dialogue on artificial intelligence and its role in advancing humanity. As AI continues to transform education, industries, and global communities, this year's Congress aims to reframe its narrative—not merely as a tool for efficiency and automation, but as a force for empowerment, inclusivity, and collective progress.

Through interdisciplinary exchanges, we aim to examine AI's transformative potential in areas such as healthcare, climate resilience, education, and digital equity, while underscoring the importance of ethical standards and shared human values in its development.

The hybrid and hyflex setup of the Congress will offer diverse and accessible ways for students and educators across the country to participate, collaborate, and contribute meaningfully to this growing movement. Whether presenting research, performing artistic pieces, or engaging in discourse, all participants become part of a larger mission: to harness technology responsibly and for the good of all.

We warmly invite your school to take part in this exciting initiative. For further details, you may refer to the [7th DLSU SHS Research Congress Primer](#).

Should you have other queries, you can also visit our website or email us at: shsresearchcongress@dlsu.edu.ph. To receive timely updates about the Congress, please like and follow our new [Official Facebook page](#).

We look forward to welcoming you to the 7th DLSU SHS Research Congress! Thank you very much.

in St. La Salle,

1. 1. 1. 1.

Ms. Bianca Go
