Schools Division Superintendent
Department of Education, Schools Division of Quezon Province
Sitio Fori, Brgy. Talipan, Pagbilao, Quezon, Philippines

Dear sir:

I trust this letter reaches you in good health and high spirits. On behalf of the International Society of Teachers, Administrators and Researchers (ISTAR), Inc., I am writing to respectfully request the issuance of a DepEd Advisory for the forthcoming "**International Conference on Educational Sustainability and Internationalization**," to be held on October 18-21, 2024 at Srivaree Pavilion Hotel, Huachiew Chalermprakiet University, Suvarnabhumi, Samut Prakan, Thailand.

Themed, "*Advancing Global Competencies through Sustainable Education Practices*", the conference is in collaboration with universities and colleges in Thailand: Shinawatra International University (SIU), and Rajamangala University of Technology Lanna (RMUTL) Tak Campus; Philippines: Lyceum-Northwestern University (LNU), Urdaneta City University (UCU), Philippine Normal University-Mindanao (PNU), Masbate Colleges (MC), Lyceum Northern Luzon (LNL), City College of San Fernando Pampanga (CCSFP), and Colegio de San Gabriel Arcangel (CDSGA); and India: Christ College.

This conference aims to bring together educators, researchers, and policymakers from around the globe to share insights and develop strategies that promote sustainable education and enhance global competencies. The conference emphasizes the following objectives:

- (1) Promote Sustainable Education: Share innovative practices and strategies to integrate sustainability into education systems globally.
- (2) Enhance Global Competencies: Develop frameworks to equip students with the skills and knowledge needed to thrive in an interconnected world.
- (3) Foster International Collaboration: Create a platform for dialogue and partnership among international educators and institutions.
- (4) Showcase Best Practices: Highlight successful case studies and research on sustainable education practices.
- (5) Innovate for the Future: Explore cutting-edge technologies and methodologies that drive sustainable education.

Given the relevance of this conference to the current educational landscape, especially in the pursuit of global competencies and sustainable practices, we believe that participation from educators in the Schools Division Office of Quezon Province would be highly beneficial. The conference will provide a platform for professional development, networking, and the exchange of innovative ideas that could further enrich the educational practices within your division.
