Dear **Dr. Bringas**:

I trust that you and your family are well and keeping safe.

Pursuant to Presidential Proclamation No. 780 s., 2019, the DOST celebrates the annual National Science and Technology Week (NSTW) every fourth week of November.

This year, the NSTW celebration dubbed "**Agham at Teknolohiya: Tugon sa Hamon ng Panahon**", is scheduled on 22 to 28 November 2021. In view of the continued threat from the pandemic, NSTW 2021 will once again be virtual. Nonetheless, we will continue to engage the active participation of all government agencies and instrumentalities, non-government organizations, state universities and colleges, and other S&T stakeholder institutions.

**Department of Education Regional Office IV-CALABARZON** is one of the selected institutions invited to conceptualize and conduct engaging Science, Technology and Innovation (STI) related activities in support of the NSTW 2021 celebration. The list of possible activities that may be conducted is attached for reference and guidance. Should you be interested, please send the relevant information about your proposed activity(ies) to [nstw2021\\_promotions@gmail.com](mailto:nstw2021_promotions@gmail.com) so we can include it in the Directory of NSTW activities for promotion.

Furthermore, we would like to request your support to the NSTW celebration through the following:

1. Dissemination of information about the NSTW 2021 celebration by posting the NSTW streamer in your official website, and social media accounts. The prototype streamer design can be downloaded through this link [www.nstw.dost.gov.ph](http://www.nstw.dost.gov.ph); and;
2. Issuance of an official communication enjoining all offices, faculty, staff and students to participate in this year's NSTW activities.
