Dear *Atty. Escobarte*,

On behalf of the Department of Science and Technology (DOST) CALABARZON and the DOST-Science and Technology Information Institute (STII), we kindly request your support in releasing a memorandum to invite schools in Region IV-A to participate in the upcoming STARBOOKS Regional Convention in CALABARZON. This significant event is scheduled to take place on November 11-12, 2024, with the final venue to be announced through email.

The STARBOOKS Regional Convention aims to enhance the integration of science and technology resources in the educational system through the STARBOOKS platform. This convention will serve as a valuable opportunity for educators and school administrators to explore the benefits of STARBOOKS, share best practices, and collaborate on initiatives to improve science and technology education in the region.

We are pleased to inform you that attendees of the convention will be eligible to receive 5 Continuing Professional Development (CPD) points, contributing to their professional growth and development.

To facilitate participation, we have set up an online registration system for schools. Kindly include the following registration link in the memorandum to make it easier for interested schools to confirm their participation: <https://bit.ly/2024STARBOOKSConvention>.
