Office of the Schools Division Superintendent
Department of Education- Schools Division Office

Dear Sir/ Madam:

Greetings in the name of empowering Philippine Education!

The Center for Human Research and Development Foundation (CHRDF), Inc. has been in partnership with the Department of Education to provide professional development programs for teachers and school leaders for the last 15 years. In 2020, we are one of the first organizations authorized as a Service Learning Provider (LSP) under the National Educators Academy of the Philippines (NEAP). We were able to secure seven NEAP-recognized programs for teachers and school leaders.

We are pleased to inform your office of the continuous efforts of CHRDF, Inc. to train teachers and school leaders in different parts of the country focused on effective curriculum implementation and following the PPST:

- Domain 1: Content Knowledge and Pedagogy
- Domain 2: Learning Environment
- Domain 3: Diversity of Learners
- Domain 4: Curriculum Planning
- Domain 5: Assessment and Reporting and
- Domain 7: Personal Growth and Professional Development

to promote the science of teaching and learning in the classroom as a clear manifestation of full support for the MATATAG Curriculum. We are strongly convinced that this will help the public school system address the current challenges in basic education by using the science of teaching and learning, especially in enhancing classroom instruction and assessment. We prepared programs geared towards improving student learning outcomes through imparting research-based teaching practices and developing higher-order thinking skills for students through instructional strategies and authentic assessments. We organized professional development programs that aim to strengthen the role of teachers as part of the curriculum support system through systematic and effective instructional planning, contextualization of lessons, and the use of an interdisciplinary approach to create authentic assessments.

The following are the scheduled conduct of the professional development programs:

Dear **Ms. Gapuz**,

Greetings from the National Educators Academy of the Philippines (NEAP)!

This has reference to your communication dated 02 May 2024, concerning the participation of teachers and school leaders in external professional development (PD) trainings provided by private organizations using their personal funds. In response to the issues and concerns you raised in your letter, please refer to the following clarifications:

Issues and Concerns	Clarification
Absence of clear mechanisms on NEAP authorization and recognition processes for external PD programs for teachers and school leaders Formalizing a partnership with the Department in providing PD programs for teachers and school leaders	Pursuant to DepEd Memorandum No. 12, s. 2023 titled <i>Moratorium on the Implementation of DepEd Order No. 001, s. 2020 (Guidelines for NEAP Recognition of Professional Development Programs and Courses for Teachers and School Leaders)</i> , the NEAP Quality Assurance Division shall no longer receive and process applications including renewal of authorization and recognition of PD programs. The moratorium shall remain in effect unless otherwise lifted by subsequent issuances. During the moratorium, all external learning service providers may continue to offer their PD programs and courses, subject to the voluntary participation of teachers and school leaders.
Absence of official advisory for external PD programs which causes apprehension among teachers due to uncertainty if these will help in their career progression	Pursuant to DepEd Memorandum No. 044, s. 2023 titled <i>Interim Guidelines for the Quality Assurance and Monitoring and Evaluation of the NEAP Core Programs</i> , teachers and school leaders may participate in PD programs offered by external service providers on their own volition. It is for this reason that endorsements or issuance of DepEd advisories for the purpose shall no longer be made. As to career progression, the Implementing Rules and Regulations of Executive Order No. 174, s.

	<p>2022 titled <i>Establishing the Expanded Career Progression System for Public School Teachers</i> has yet to be issued. Thus, all relevant trainings attended by teachers can be considered in cases of promotion or career progression subject to evaluation and assessment in accordance with DepEd Order No. 19, s. 2022 titled <i>Department of Education Merit Selection Plan</i> and DepEd Order No. 007, s. 2023 titled <i>Guidelines on Recruitment, Selection, and Appointment in the Department of Education</i>.</p>
<p>On teachers using their personal funds to attend trainings offered by private training organizations</p>	<p>Subject to their own volition and on a voluntary basis, teachers may attend PD training programs offered by external service providers using their own personal funds.</p>

Should you have any further questions or clarifications, your staff may coordinate with **NEAP Office of the Director** through landline (02) 8638-8638 or email neap.od@deped.gov.ph.

We hope this provides sufficient clarification on your concerns. Thank you very much.

Very truly yours,

WILFREDO E. CABRAL
