**COMPREHENSIVE ASTRONOMICAL AND ENVIRONMENTAL AWARENESS PROGRAM FOR THE SCHOOL YEAR 2024-2025**

In reference to Advisory No. 55, s. 2024, Jhayron Events Management Services (JEMS) will conduct a school caravan under the Comprehensive Astronomical and Environmental Awareness Program for the School Year 2024–2025. This initiative aims to broaden students' knowledge and understanding of key topics such as astronomy, climate change, global warming, and other critical aspects of science.

Participation of learners and teachers from both public and private schools is strictly voluntary and must not interfere with instructional time. This aligns with the provisions of DepEd Order No. 09, s. 2024, titled *"Implementing Guidelines on the School Calendar and Activities for the School Year 2024–2025,"* as well as DepEd Order No. 9, s. 2005, titled *"Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."* Furthermore, any off-campus activities must adhere to the guidelines specified in DepEd Order No. 66, s. 2017. The program also features a variety of activities that provide students with hands-on experiences, encouraging active engagement and fostering practical learning opportunities.

**COMPREHENSIVE ASTRONOMICAL AND ENVIRONMENTAL AWARENESS PROGRAM  
FOR THE SCHOOL YEAR 2024-2025**

The Jhayron Events Management Services (JEMS) will be conducting a school caravan nationwide through the Comprehensive Astronomical and Environmental Awareness Program for School Year 2024-2025.

The activity aims to

1. promote awareness and consciousness on the topic of Astronomy, Climate Change, Global Warming, and other aspects of Science;
2. provide useful information to students and the public and make them cognizant of the effects of Climate Change; and
3. inculcate the values of sustainability and management of the natural resources.

The activity includes the following:

Activity	Description
1. Digital Mobile Planetarium	The participants can experience the stunning infinite beauty of the universe through real-time space simulation and celestial navigation.
2. Solar Viewing	The participants can experience a first-hand viewing of the sun using a Solar Telescope equipped with H-Alpha filters.
3. Science Fair Adventure- The Gallery and Interactive Exhibit	The display will showcase a variety of art exhibits and other amazing work arts that deal with Biological Diversity, Flora and Fauna Species, Astronomical Facts and Breakthroughs, optical illusions, Proper Solid Waste Management, the Power of 3Rs, and the Life span of common Garbage Wastes.
4. Spacelab	The participants can interact and connect with fictional characters through an interactive live show presentation and discussion.
5. Workshop	The participants can experience the use of Chroma Key that transports the students across time and space.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 009, s. 2024 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2024-2025 and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law), issued in DO 19, s. 2008, and reiterated in DepEd Memorandum No. 041, s. 2024.

**RE: Request for DepEd Advisory / Endorsement Letter for School Year 2024-2025**

Dear Sir/Madam:

A Perfectly Clear Sky to you!

The Jhayron Events and Management Services (JEMS) would like to request for a *DepEd Advisory / Endorsement Letter for SY 2024 – 2025*. The educational industry paving the way to introducing state-of-the art and interactive methodologies in the field of science, environment and astronomy, the company was able to raise awareness and appreciation among its target clientele and the community as well. This can be a valuable addition to other aspects of the teaching/learning process which could help the students synthesize formerly disparate pieces of information into a more holistic understanding.

- Activity 1 Digital Mobile Planetarium (Space Exploration)**
- Activity 2 3D Film Viewing (Effects of Climate Change or Dinosaur Extinction)**
- Activity 3 Science Fair Adventure - The Gallery & Interactive Gadgets**

In line with this, we will be conducting a school caravan nationwide. A minimal amount will be collected among pupils/students on voluntary basis to cover its operating expenses. Certain percentage coming from the sales will be given and shall serve as a tangible and sustainable income generating project (IGP) among schools, organizations or clubs who will avail of the said services.

Attached herewith is our DepEd Advisory [A\\_s2024\\_055.pdf \(deped.gov.ph\)](#) for your perusal and reference needed for the granting of Endorsement Letter.

With your valuable support, we can achieve our goal in raising nationwide awareness and appreciation of the Environment and Astronomy through JEMS.

For more information, schools bookings, discounts, rebates and other inquiries, please feel free to contact us at **0917-837-5252 / 0917-255-5501** or may also email us at **jhanyro.ems@gmail.com** or **jhayronevents@gmail.com**

We look forward to your favorable response.

With highest esteem:

  
**Jhaness "Jaja" P. Flores**  
Marketing Director
