ICOME 2025 convenes educators, researchers, leaders, and policy-makers to explore how Artificial Intelligence (AI) is reshaping teaching, learning, assessment, leadership, and equity. It aims to

4. stimulate scholarly contributions through research and publication.

The program features plenary talks, a panel discussion, hands-on workshops, and parallel paper presentations, with free e-certifications for eligible presenters and participants. Interested participants may visit the conference website through this link: <https://www.feu.edu.ph/icom2025>.

Participation of teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith, and the policy on off-campus activities stated in DO 66, s. 2017.
