SPACECON OF ANTARES STEM INCORPORATED

ANTARES STEM Incorporated is launching its nationwide educational outreach program, SpaceCon, in both public and private schools across the Philippines for the School Year 2025–2026.

SpaceCon is a mobile science museum designed to enhance specific literacy and promote inquiry-based learning. The program introduces students to interdisciplinary concepts in astronomy, Earth science, physics, chemistry, biology, artificial intelligence, and robotics through hands-on activities and interactive exhibits. The following activities are included in the program:

Activities	Description
Create and Play: Interactive Art and Early STEM Skills	The indoor zone features celestial-themed art, puzzles, wire loop games, and a weather station workshop aimed at enhancing fine motor skills, creativity, and scientific thinking.
Journey Through Space: Planetarium and Astronomy Exhibit	The dome-based astronomy show features immersive visuals of stars, planets, and the moon, along with telescope exhibits and 3D space models.
Science and Techzone: Electricity, Robotics, and Emerging Tech	An exhibit showcasing electricity, magnetism, AI, and robotics includes Tesla coils, plasma balls, and humanoid robots with interactive STEM displays.
Solar Viewing and Rocket Launching Zone	An outdoor science zone offers solar viewing with various telescopes and water rocket launching demonstrations. Young learners can participate safely through guided observation.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 012, s. 2025, titled Multi-Year Implementing Guidelines on the School Calendar and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.
