SACEDA YOUTH LEAD INTERNATIONAL PROGRAMS FOR SCHOOL YEAR 2025–2026

The Saceda Youth Lead (SYL) will hold various international programs for the school year 2025–2026, starting from September 2025 to April 2026.

The international programs aim to

- study the global and regional challenges, their common patterns that emerge across all cultures, and how these patterns reveal the diversity of human experience to mitigate or control their effects;
- identify similarities of effects and study how schools, governments, and leaders must come up with viable solutions;
- meet co-leaders;
- provide enrichment in the education through a series of presentations and discussions on the global and regional challenges;
- formulate or develop sustainable solutions;
- empower and inspire participants to become future leaders; and
- promote peace and mutual understanding.

Student leaders, academic scholars, teachers, and elected public officials are encouraged to attend these international programs to create one hope, one voice, and one inspiration that will spark a transformation among educational curriculum, political cultures, and socio-economic approaches.
