 Assistant Secretary
 Officer-in-charge, Office of the Regional Director
 Department of Education, CALABARZON

Thru: **DR. RAYMUNDO M. CANTONJOS, CESO IV**
 Schools Division Superintendent
 Dasmariñas City Division

Good day, Atty. Escobarte:

Greetings of Peace!

The De La Salle University – Dasmariñas Basic Education is holding its 3rd DLSU-D Senior High School Research Conference on May 17-19, 2023 with the theme “A Future of Innovation and Exploration in a Better Normal: Research as a Catalyst for Discovery and Change”. The research conference will be done virtually via Microsoft Live Events, and this annual research conference is a platform where SHS students can present their research papers and scientific posters and receive Best Paper, Best Poster, and Best Presenter awards. This conference is free and certificates will be sent to presenters and attendees.

In line with this, we would like to request for your office’s endorsement with prayer also in disseminating this invitation to all schools under your purview. For further details regarding the event, you may visit the official Facebook page of the research conference: <https://www.facebook.com/dlsudhsresearchconference>. Inquiries may be sent to Dr. Marilou E. Medina, the chair of Student Research Council, at memedina@dlsud.edu.ph.

We will patiently wait for your response. Thank you very much.

Regards,

MA. LUISA V. CUARESMA, MSc
 Associate Principal for Academics and Research

3rd De La Salle University-Dasmariñas Senior High School **Research Conference**

**A Future of Innovation and Exploration in a Better Normal:
Research as a Catalyst for Discovery and Change**

The De La Salle University-Dasmariñas Senior High School will conduct its 3rd research conference on May 17-19, 2023 with the theme, "A Future of Innovation and Exploration in a Better Normal: Research as a Catalyst for Discovery and Change".

It aims to showcase data-driven findings and recommendations that can address the concerns brought by the pandemic, while appreciating the adaptability and the responsiveness of Filipinos in the new normal.

Student researches made during the pandemic highlight the ideas and the innovativeness of the youth to serve their respective communities by contributing meaningful knowledge and outputs to address relevant concerns and to improve lives.

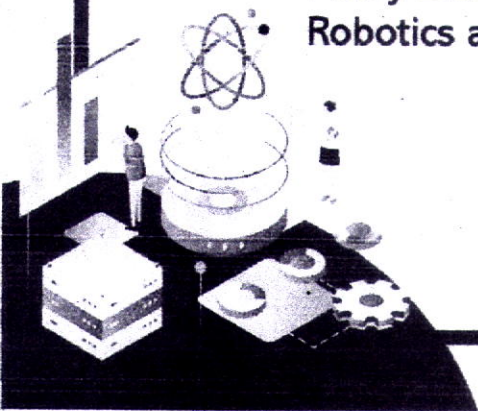

3rd De La Salle University-Dasmariñas Basic Education **Research Conference**

A Future of Innovation and Exploration in a Better Normal:
Research as a Catalyst for Discovery and Change
