Elias A. Alicaya, Jr.

Officer-in-Charge

Department of Education – Schools Division of Quezon

Dear Mr. Alicaya,

Free Training Program for all Deaf Students

All over the country, the global pandemic has been hindering the participation of students in extracurricular activities and impeding their opportunities for a well-rounded education. The pandemic's economic impact has also put non-academic elements of student life on the back burner.

It is therefore with great enthusiasm that we present **Gen LIT!** - an enlightening and engaging training program on **youth leadership** and **digital citizenship** that equips young men and women with 21st century knowledge and skills in utilizing technology for the common good.

Through the collaboration of Philippine Mental Health Association Lipa-Batangas Chapter, Pinas Forward and through the support of our sponsor, Globe Telecom, the program is being offered free-of-charge to all Deaf students as our way of providing your Deaf students a unique opportunity to develop leadership potential, hone values, and build life skills.

The Philippine Mental Health Association Lipa-Batangas Chapter is a private, non-stock and non-profit organization dedicated to the promotion of mental health and the prevention of mental illness. Under the Community-Based Mental Health Program, the Chapter organized the PMHA Deaf and Hard of Hearing Community (PMHA-DHHC) last 2014 to equip and empower them to be fully competent individuals.

Pinas Forward is a national movement that seeks to empower Filipinos to dream together for a better country through the power of connectivity. Since 2018, we have conducted **838** highly successful training sessions in **600** schools, organizations, and local government units. Despite the pandemic, we continue to deliver the program via online platforms like Zoom and Facebook Live.

The above-mentioned free training program will be on **AUGUST 27, 2021 (FRIDAY), 8:30AM - 11:30AM**, live via **ZOOM**. Interested students must register through the link - <https://tinyurl.com/PMHAPINASFORWARD> ; Zoom details will be sent to the email address they will use in registration.

We look forward to offering your Deaf students a channel for applying their academic skills in the real-world context of connectivity even in this difficult time.

Should you have additional concerns, you may reach us through pmha_lipa@yahoo.com or 09676423610, and look for Ms. Imei.

Sincerely,

HAZEL A. MAGPANTAY, RPsy

a cultural view on the concept of leadership to refresh the youth's mindset on what inherent qualities and fitting behaviors define the nation's collective choice of leaders

an in-depth and critical look into current social & technological trends and events to reveal a wider view of the elements that shape and influence the decisions of the learner's generation

a set of practical tips & knowledge to aid the learners in practicing safe and responsible online behavior

Nation Building Workshops

So LIT!

"LIT!"

is a colloquial term used by young people to describe anything they find excellent, exemplary and extraordinary. Lit is also short for literacies. Taken together, our training sessions on youth leadership and digital citizenship are designed to be both enlightening and enjoyable for our target audience.
