DIVISION MEMORANDUM
DM No. 020, s. 2021

**Dynamic Agriculture under the New Normal for Youth in School
THRU SUSTAINABLE VEGETABLE PRODUCTION AT HOME:
"KATUTUBONG GULAY LABAN SA PANDEMYA"**

To: Public Schools District Supervisors, Elementary and Secondary School Heads, Gulayan Sa Paaralan Coordinators, District Gulayan Coordinators and Other Concerned

1. In relation to the continuing project brought by COVID-19, the Dynamic Agriculture under the New Normal for Youth in School, spearheaded by the Provincial Local Government Unit of Quezon in partnership with the Department of Education, Department of Agriculture and the Local Government Unit, glad to inform that they have successfully conducted the Poster and Slogan Making Contest under the project of Sustainable Vegetable Production at Home- Katutubong Gulay Laban sa Pandemya, the new normal for Gulayan Sa Paarala (GPP).
2. In addition to this project is the Vlog of students from the different municipalities showing the unique practices and impacts of Sustainable Production at Home.
3. Hence, the Office of the Provincial Agriculturist would like to seek help from the District Gulayan Coordinators to assist the students in their Vlog, for there is a low number of entries submitted due to several typhoons that visited the province that caused severe damage in crops including their vegetable garden.
4. In this regard, the OPA proposed an extended deadline of submissions as per attached documents to give way for the preparation of entries. For those schools and municipalities affected by the typhoon, seeds are still available at the office of the Provincial Agriculturist, Barangay Talipan, Pagbilao, Quezon. Please refer to attached schedule of activities.
5. Immediate dissemination of this Memorandum is desired

Dear **Dr. Alicaya,**

We are glad to inform your good office that we have successfully conducted the Poster and Slogan Making Contest under the project of Sustainable Vegetable Production at Home - Katutubong Gulay Laban sa Pandemya. In addition to this project is the Vlog of students from different municipalities showing the unique practices and impacts of Sustainable Vegetable Production at Home. However, there is a low number of entries submitted due to several typhoons that visited the province that caused severe damage in crops including their vegetable garden.

Hence, we would like to seek your help to request the District Gulayan sa Paaralan Coordinator to assist the students in their Vlog entry to be submitted to the Office of the Municipal Agriculturist for judging.

We propose for an extended deadline of submissions as per attached documents to give way for the preparation of entries.

Thank you so much for your usual support and cooperation.

Very truly yours,

ROBERTO D. GAJO
