Dear **SDS Bautista**:

Greetings!

The Department of Health (DOH) Center for Health Development (CHD) IV-A, through the Adolescent Health and Development Program (AHDP), will conduct the **Consultative Meeting with Department of Education Region IV-A, Schools Division Offices, School Principals, and School Heads of T.E.E.N.Dig Schools for T.E.E.N.Dig Implementation Support** on **May 4, 2026 from 9:00 AM onwards**, to be held at **3rd floor Conference Room, DOH CHD CALABARZON, QMMC Compound, Project 4, Quezon City**.

In line with DOH CHD CALABARZON's commitment to strengthen adolescent health services, the T.E.E.N.Dig Kabataan Program is being implemented to create safe, accessible, and adolescent-friendly spaces within schools. The program enables young people to access essential health services, including medical consultations, mental health support, sexual and reproductive health counseling, and psychosocial assessment. It also promotes positive health-seeking behaviors and peer engagement to address sensitive adolescent health concerns.

To ensure effective and sustained implementation of the program, there is a need to further strengthen coordination between DOH CHD CALABARZON and the DepEd Regional Office IV-A, particularly at the regional and school levels. School principals and heads play a vital role in operationalizing the program, managing resources, and fostering a supportive environment for adolescent health initiatives.

In line with this, we would like to invite **your office** to the said activity. We believe that your presence and active participation will greatly contribute to the success of this activity and to the effective overall implementation of the T.E.E.N.Dig Kabataan! Kalusugan ay Pahalagahan Project.
