I understand that the DepEd Quezon-School Governance and Operations Division (SGOD) shall implement the minimum public health standards set by the government to minimize the risk of the spread of any communicable disease, but it cannot guarantee that my child will not become infected.

I understand that my child's in-person attendance at the event will include associating with teachers, fellow learners and school personnel, and other persons inside and outside of the school that may put my child at risk of transmission of any communicable disease, notwithstanding the precautions undertaken by the implementing team.

**Voluntary Participation**

I acknowledge that my child's participation in this activity is completely voluntary. My child may decline to participate or withdraw from participation at any time for any reason. Declining or withdrawing participation will not result in any penalty or loss of benefits or reduction of any basic right to which my child is entitled. While there remains the risk of possible transmission of any communicable disease to my child/ren, and to the members of my household, I freely assume the said risk and I permit my child/ren to attend this activity.

I am aware that symptoms of any communicable disease include, but are not limited to, fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, the new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, and diarrhea.

I confirm that my child currently has none of those symptoms and is in good health. I will not allow my child to physically go to the event if my child or any member of my household develops any of the said symptoms or any other symptoms of illness that may or may not be related to any communicable disease. I will also inform the school/division and not allow my child to attend the event if my child or any of my household members test positive for any communicable disease. My child/ren and I, with my household members, will follow the required health and safety protocols and procedures adopted by the school and community.
