Sir/Madam:

Greetings of peace!

In line with the extension service of Southern Luzon State University titled, "**Enhancement Training Program for Senior High School Mathematics Teachers**", the BS Mathematics program of College of Arts and Sciences would like to conduct the second part of the training on February 6 - 10, 2023 which will be held at Southern Luzon State University-Main Campus from 8am to 5pm. The target beneficiaries of this activity are 30 senior high school mathematics teachers handling Probability and Statistics.

Furthermore, I would like to inform you that as per food allowance, two (2) snacks and lunch will be served for the whole duration of the training. Accommodation, breakfast and dinner will not be covered. Options for room accommodations will follow as we still need to check for the accredited boarding houses that will be available during the period of training.

With this, may we request from your good office to conduct the said extension program on the said date and time. We highly appreciate receiving your valuable suggestions and inputs regarding this activity and we are hoping for your favorable response regarding this matter.

For any inquiries and concerns regarding our proposal, you may contact us through these email addresses adf070420@gmail.com, clacorte@slsu.edu.ph or mobile number 09175605399.

Thank you very much.

Respectfully yours,

Mrs. ARLENE D. FALLER
Project Leader
