3. Quarterly submission of the reports aims to identify gaps to:
  - a. improve the students' academic performance;
  - b. guide school leaders in creating transformative co-curricular activities that are complementary to curricular activities;
  - c. guide school leaders and teachers the basis for the inclusion of the remedial instruction and intervention for the learners; and
  - d. ensure that the learners' optimum potentials in learning across all learning areas as manifested in the improvement of MPS in all subjects are realized.
  
4. All Public Schools District Supervisors and School Heads are requested to work collaboratively in order to identify the districts' first Six (6) least learned/least mastered competencies in all learning areas.
  
4. Immediate dissemination of this Memorandum is desired.
